

Cooper and Jordan PTA

Summer Fayre Saturday 2nd July 2016 – Help Needed!!!

The 2nd July may seem a long way off but for those of us who began planning for the event back in February it is fast approaching.

To run the Fayre and make it a success we need some extra pairs of hands to help with setting up, running stalls and clearing away.

Can You Help Us Double Our Money?

We are looking for parents willing to help. If you work for a listed company or any of the main banks/insurance companies, then these companies will almost certainly have a match funding scheme. You can nominate the school PTA which is a registered charity for a donation for anything from £500 to £1,500.

Most of these schemes require you to have supported the charity by donating some of your own time. For those that we have received to date the parents have helped at an event which qualifies as donating time. These schemes work by the company matching the funds raised up to a maximum value.

If you work for a participating company and are willing to apply for a company donation we would make sure you were allocated to one of the more profitable stalls (e.g. the tombola, BBQ or Inflatables) to maximise the monies raise.

Please ask at work if your employer has this type of scheme in place, make an application for us, and let us know.

Mandie Powell

Please return to the School office for the attention of the P.T.A.

I (Name) _____ am willing to help at the Summer Fayre in the following way -:

Helping on a Stall Apply For Company Matched Funding

Clearing Away
