

‘Every Child Matters’ at Market Weighton Infant School.

We lay the foundations for life by offering a positive rich experience for all our children, with high standards in the basic skills and a broad and balanced curriculum in a safe, happy and supportive atmosphere.

We aim to

- Provide a stimulating learning environment enabling all our children to fulfil their potential and become increasingly mature, caring, confident, thoughtful and responsible members of society, who are able to lead safe, healthy and fulfilling lives.
- Provide a wide range of experiences so that every child will be engaged through teaching and learning that develops, stretches and excites their imagination.
- Provide opportunities to learn in different ways - listening, watching, exploring through play, using the outdoors, the wider environment, visits and visitors.
- Provide for the social, emotional, spiritual and cultural development of our children instilling in them a respect for each other, all adults and their environment.

With the support and involvement of parents we offer every child the chance to achieve their full potential, as they take their –

“first steps to tomorrow’s world”.
