Science Interhouse Event

The beautiful weather added to our whizz, bang, pop science house event on 27th May. All the children had a competition building towers out of marshmallows and spaghetti in 5 minutes. The winning team of Stella, Rosie and Weronika managed to build a tower 72cm tall that stood unaided. Other events included: rocket mice, boat investigation, investigating sauces, the best material for parachutes and paper plane investigations. Thanks to all the parents who came and supported their children.

Cotswold Wildlife Park

The children in the Reception classes had a great time at the Cotswold Wildlife Park. We saw nearly every animal the park had to offer, we even had a trip on the miniature railway which was a lot of fun. Thank you to all the parents who made this trip possible.

Hiring of School Facilities

Orchard Field's facilities are now available to hire during the evenings, weekends and school holidays!

We are working with 2JEvents to make this possible, and if you visit their website you can find out how to book the field, main hall, and much more.

They can help with anything from dance classes to tutoring groups to birthday parties. You can call them on 01865 575678 or visit www.2jevents.com.

School Fete
Saturday 2nd July
12.00pm - 2.30pm

If you would like to run a stall or help with the school fete, please see Mr Baldwin or contact the school office. The cost of a stall is £2.50. Thank you for your continued support.

The poster features a festive design with several large, colorful balloons (red, blue, yellow, green, pink) floating against a light blue sky. A string of colorful triangular bunting hangs across the top. Confetti is scattered on the ground. The text is written in a mix of fonts, with the event name and date in a larger, stylized font.
