Headteacher: Mrs E Weavers

Friday 17th June

Dear Parents/ Guardians,

School Nurse – Body Changes Talk

We have arranged for the school nurse, Rita Wickenden, to give our Year 5 pupils a 'Body Changes' talk on **Wednesday 6th July**.

Before this talk, the class will be watching a video with their class teacher, which Rita's presentation will then build upon. If you would like to watch the video prior to this day, there is an opportunity to do so at 3.30pm on **Friday 24th June** in the Year 5 classroom.

Rita will deliver the first part of her session to the whole class. Following this first session, the second part of the morning will be organised into a girls' session and a boys' session with each group having the opportunity to ask any questions they may have. If your child has any questions that they would like the nurse to answer during this session then they can write them down anonymously, place them in an envelope and hand them to myself or the nurse on the day.

Yours sincerely,

Miss Jones

Year 5 Body Changes Talk

I give/ I do not give my childpermission to participate in the body changes talk.

I would like to pre-watch the video on **Friday 24th June**.

Signed
