

School Vision and Aims 2015/16

Vision Statement

“Learning together, caring for all, whilst striving for excellence”

Whole School Aims

These are to:

- provide a curriculum in which children learn about and engage in all aspects of healthy lifestyles
- ensure all members of the school community are involved in providing a positive and safe environment
- provide an exciting and stimulating curriculum which enables all learners to enjoy and achieve, become independent and self-motivated and supports them in their first steps to economic well-being
- promote social and emotional development and encourage all children to participate in decision making and make a positive contribution to the school and wider community
- work in partnership with parents and other agencies to ensure that all children and their families have access to available services
- instil in our children a tolerant, compassionate and positive attitude to others
