

We realise that choosing the right daycare for your child is one of the most important and difficult decisions you will ever have to make. We also know that quality early childhood education can help children to develop important skills, be more confident and prepare them for their later school life and beyond.

Our new Dragonflies Daycare adjoining Denby Dale First and Nursery School delivers the very best childcare and educational support to the under-fives. Its close association with the highly rated village primary school not only offers a safe and welcoming environment but also provides a seamless transition for pre-schooler into full time education.

Why choose Dragonflies Daycare for your childcare?

Dragonflies Nursery is a leading provider of children's nursery education. We have many years experience in providing a safe, stimulating and happy environment for children aged between two and five years.

Our facility offers childcare for 49 weeks a year and is open from 7.30am until 6pm including breakfast, after school and holiday clubs, enabling parents to choose from a range of flexible attendance schedules for their children.

We work closely with parents to ensure that, from the moment their child commences pre-school education at Dragonflies Daycare, they are encouraged to develop to their full potential.

We recruit all our staff on the basis of their qualifications, experience and, most importantly, their ability to provide encouragement, praise and support for every child in our care.

**From 2 – 3 years
Ratio 1 : 4**

Whilst maintaining a caring environment, every activity in the Dragonflies Daycare is considered a learning opportunity. Activities vary hugely and above all are fun and stimulating including creative play, developing language skills, puzzles, music and learning to relax at story time to name but a few!

**From 3 – 4 years
Ratio 1 : 8**

The Butterflies Room helps to prepare children for mainstream school.

The structured programme of activities is rich and varied including music, science experiments, creative play, construction and den making. Every child has a qualified and experienced key person to track and record your child's progress and liaise with you on a regular basis.

Holiday Clubs are also available. Please ask a member of staff for more details.
