## Newsletter (2) – May 2016

### School Holidays

On the reverse of the newsletter are the local authority holiday calendars for 2016-2017 and 2017-2018.

#### 2016 – 2017

The holidays for the next academic year reflect the long running pattern of one week for October half term and six weeks in the summer. The circled dates reflect the planned INSET days. We have planned two INSET days for the start of September as we have a planned rewire of the KS2 building and, as yet, have not been given a completion or handover date for this work. Therefore, we have planned the two INSET days to be used to ensure that we can have the school safe and ready for children's return. INSET days are indicated by the green circles.

#### 2017 – 2018

As has been widely reported both in the local press and on social media, the local authority holiday pattern has changed for this year. The October half term break has been extended to two weeks and the summer holiday reduced to four weeks and four days.

### Colour Tombola Reminder

We are still in need of donations for the Summer Fair colour tombola. All donations can be placed in the boxes in school Reception.

### School Visits

We have had a number of requests recently to accept permission slips for trips after the submission date stated on the letter. We have had to refuse these due to the fact that all risk assessments and visit paperwork are completed on submission date and are based strictly upon the numbers that we have at that time. It is a lengthy process to change and alter these after they have been submitted and approved which is why we cannot accept permission slips after the deadline given.
