- Activkids will provide a Change4life club before school on a Thursday for targeted disaffected year 4 children £600

- Increase and monitor table tennis lunch and break use £1000
- Provide transportation to enable participation in wider variety of sporting events £1000
- New Sports kit for the children representing the school to build more interest and greater esteem £200

Our overall aim is to continue to raise the profile and standards in P.E. and school sport increasing the participation and opportunities offered to our children. We aim to provide higher quality lessons and improved learning for all.

If the expected increase does happen we will look to spend that money in a way that impacts the future with regards to the school environment- eg surface for the red cage, fitness equipment etc
