"I have loved you with an everlasting love"
Jeremiah 31:3

Reception: What a lovely week in reception. We have really enjoyed our Rainbow Fish week and made some lovely colourful fish. We are very excited for our trip next week. Just a reminder our trip is on Wednesday 7th July and costs £12.00. New week we are looking at Billy's Bucket. Have a great weekend.

Year 1: We have had a great, hardworking week in Year 1 this week! The children produced some fantastic stories about Tom Kitten and they are in the process of planning their own version ready to write next week. In Maths, we are working really hard on grouping and finding the total, and this topic will be continuing next week. Thank you so much to everyone who has returned the permission slip and money for the school trip next week. The children are so excited about our visit to see the Beatrix Potter attraction and many children have started a countdown! We hope you have a lovely weekend – and fingers crossed the weather improves for our trip next week!

Year 2: Next week we are continuing with our diary writing. After our trip we are going to create some diary entries for a class book to share with Year 1. We have been making some leaflets about how to keep safe in the sun. Linked to this work over the next two weeks we are going to make leaflets about Blackpool Tower and then eventually Millom. In maths we are going onto work with three dimensional shapes. Our spelling work for the next two weeks is to revisit suffixes in words. As part of our topic work linked to the seaside in the past we are going to compare and find what is the same and the changes. Our art and music is also linked to this. It is our very exciting trip to Blackpool Tower on Thursday which we are all looking forward to. Any questions please see me or ring the office. Can I remind you children are in uniform as they are easier to see when they are other schools there. They may bring an extra snack and I would suggest you pack extra drinks as they will get hot especially in Jungle Jim's and drinks are quite expensive for them to buy with their spending money. Any children who need travel medication please ensure they have this before they come to school and of they need any for the return journey can be labelled and instruction on a note please. We are still practicing our school play and are hopefully going to perform it before the end of term letters about this will go out the start of next week. Have a great weekend!

Year 3: Well, the end of term is fast approaching and things seem to be getting busier and busier so please keep your eyes peeled for any changes on a day to day basis! We've had good week thinking about persuasion in Literacy – and children have developed their toolkit which will help them to write their own persuasion next week. They have also been practising advertising 'Hawk Ridge Farm Park'. Ask them to tell you about it! In Maths we have been learning about 3D shapes and then moved onto looking at measuring the perimeter of 2D shapes. Children enjoyed making models of 3D shapes earlier in the week. It was our last week of swimming this week; however we have two PE sessions next week. Make sure kits are in school please. On Friday 8th July, we finish with our end of year mass and awards – it would be lovely to see you there. Have a lovely weekend.

Year 4: The children have really enjoyed their Literacy work this week and their 'Made of More' voice overs have been really impressive. This coming week, we will be looking at turning the sequence into a narrative. In Maths, we have been thinking about capacity; especially converting between ml and litres. In RE, We will be thinking about belonging to the Church. On Thursday, Charlie Lupton will be visiting us for a bringing history to life day where we will be building a pyramid! Friday is our end of school year awards ceremony over in church. Please do come along to join us if you can. Have a lovely weekend!

Year 5: This week has been very busy for Year 5! We have worked hard on percentages in maths and next week we will move on to looking at area. In literacy we have written poems around the theme of love from *A Midsummer Night's Dream* as well as having a class debate on whose fault it was that "the course of true love never did run smooth" in the play – the children argued their cases brilliantly! Also this week we have visited Millom Secondary School and St. Bernard's Secondary School. The children had lots of fun taking part in numerous activities such as canoeing, Zumba and creating their own rockets. Next week we will be visiting St. Bernard's again on Wednesday for a Young Enterprise workshop and we have a taster day at John Ruskin School on Tuesday. I hope you have a lovely weekend!

Year 6: We have been busy again this week in Year 6. We have started our last literacy unit, focusing on setting within a narrative; we will be continuing this next week. We have also continued our work about light in science learning about refraction. In RE, we have been learning about the Mass. We have started to look towards the end of the school year and the children have started making their year books, which I hope they will treasure. Next week we will start thinking about our end of year show; I know the children are very excited about this! On Wednesday the children will spend the day in Millom School on their transition day. They need to be at Millom School reception by 9.00am, wearing their full school uniform (this is a change to the information given in the newsletter last week).

Any children who usually come to breakfast club can still do so, and a member of staff will take them up to Millom School.

A NOTE FROM MRS NICHOLAS (PLEASE READ THIS SECTION AS ALL SCHOOL INFORMATION IS IN HERE)

WHAT'S BEEN HAPPENING: Year 5 has had a busy week! On Tuesday 28th they went to Millom School where they took part in some activities as part of a taster day. On Thursday 30th they enjoyed another taster day, this time at St Bernard's Catholic High School in Barrow. The children thoroughly enjoyed both days! We ended the week with our 'Wear a Hat Day' to raise funds for Brain Tumour Research UK. This is a cause very close to our hearts at the moment and it was lovely to see all of the children (and staff!) wearing all kinds of hats! We would like to say a huge thank you to everyone who made cakes for us to sell and for their generous donations. We are proud to say that at the time of print, we have raised **£380.00** to send to Brain Tumour Research UK. Hopefully this will increase slightly if we manage to get the last few remaining cakes sold after school tonight! Can we just say a huge thank you to everyone, parents and children, who were kind enough to make cakes for us to sell and also for your generosity in donating to this Brain Tumour Research UK. Friday night sees the biannual 'Caretaker's Cup' Football Match between Year 4 and Year 5, which is being played on our school field. Good luck to both teams!
