Friday News

We have made it to the end of another week. The wonderful weather has allowed us to make more use of our outside spaces and it was brilliant to have sports day on such a fantastic day. Well done to all of the children for trying their hardest throughout the afternoon and congratulations to Bassenthwaite house for winning. Thank you to everyone who attended – your support was amazing – and thank you for helping bring in the equipment. A massive thank you to all of the staff, especially Mr Bromley, for their hard work in making the day a success.

We have had amazing news this week that the National Grid have awarded us a grant (subject to conditions) for the development of the EYFS area. We will be having additions to the outside area to improve the teaching and learning spaces for all of the Infants. It is due to the hard work of Mrs Armstrong that we have received this grant.

We're looking forward to the Queen's birthday celebrations this weekend and hopefully we'll see all of our children at the event especially as they're singing the National Anthem. Hopefully you'll be able to spend some time at the event as it's been a lot of planning and organisation which our Friends association, staff and local community have been heavily involved in.

On Thursday 16th June England will be playing Wales in the European football competition, the kick off is 2pm. We will be showing the match in our school hall for any of the children who would like to watch it. We would welcome any additional support from parents in making the event more memorable. Doors will be open from 1.50pm.

Have a wonderful weekend whatever you're doing and we look forward to seeing you on Monday.
