

Broughton Moor Primary School

Friday News

What a wonderful week we've had with the glorious summer weather outside as well as a lot of fantastic work in school. The Year 6 children have had their end of Key Stage tests this week; they have all made a massive effort and coped extremely well with some complex questions. The Year 2 children have been doing their Key Stage tests this week and will continue with them throughout the month.

This morning we have had the start of our whole class music teaching for the Year 4, 5 and 6 children. They're learning the recorder and are being lent a recorder each to practice at home so expect lots of tuneful music coming from their bedrooms! Recorders are on a short term loan and will need to be looked after before returning in time for the summer break.

Year 2 and 3 have spent the week wondering where The Queen's hat will end up – one suggestion was over the Eiffel Tower. Our Reception and Year 1 children have had a brilliant time designing their fairytale castles – I look forward to seeing how they turn out!

Next week will be dominated by our Bassenfell residential. We're looking forward to going and I know the children are excited too.

Reception children and children not attending the Bassenfell Residential will be in school as normal.

Fairytale Castles

Please can children in Reception, Yr 1 and Yr 2 please bring in junk modelling (e.g. Cereal boxes, yoghurt cartons, kitchen roll tubes) on Monday morning for the building of their fairytale castles over the coming week.

Bassenfell Residential Wednesday 18th May to Friday 20th May.

Children attending the Bassenfell residential should be in school on Wednesday morning for the normal start time. We will be leaving school at approximately 9.10 am.

The infant children will return to school for the end of the school day on Thursday. Likewise the junior children will return for the end of the school day on Friday.

All children will need to bring a packed lunch on Wednesday.

You have all had a copy of the kit list. Please make sure that all clothing etc has your child's name written on. As the paparazzi or heat magazine will not be in the Lake District I suggest taking older clothes as we wouldn't want the children to damage their new clothes. Old, warm and comfortable are the best rules to follow when choosing what to take. *It is better to have a few thin layers than one thick layer.* A reminder about the amount of clothes you bring. What you need should fit in a bag or suitcase that you can carry, with the help of a friend if necessary, to your room. Don't bring too much luggage.

We will endeavour to give you regular updates of the children's activities via twitter. @bromoor

St Columba's Church, Broughton Moor

Dear Parishioner

I write to you about our beautiful church of St Columba which has been maintained for the community by a very small group of people now for a number of years.

This church over the years has played an important part in the life of this community. It is first and foremost a place of prayer and worship, it is a place where your important life events such as Christenings, Weddings and funerals take place.

The building is now in need of substantial repairs, including a total rewire of the electric system, which will cost a substantial amount of money, for which the Parochial Church Council does not have the funds to undertake.

So The Parochial Church Council would like to invite you to a meeting to discuss the maintenance and future of your church building, and a way forward for the church in this community.

I would like to encourage you all to please attend this meeting which will be held on **Thursday 19th May at 7:30 pm in St Columba's Church, Broughton Moor.**

Yours Sincerely

Revd Susan McKendrey

on behalf of the Churchwardens & St Columba's Parochial Church Council

Water Bottles. Please ensure that your child has a water bottle in school as we are unable to hand out beakers when your child forgets to bring a water bottle.

The Sunny Weather. Please make sure that your child has a sun hat to wear during the warm weather and appropriate school uniform. We also advise that you apply sun cream to your child, before they come into school.
