Introduction

The Governing Body of Shiney Row Primary School wish to make every reasonable effort to facilitate the use of Shiney Row Primary School by the Community as a whole. The purpose of this policy is to:

- provide clear guidance on lettings and the hire of school premises
- enable safe access to the school site and premises
- promote the use of school facilities by the wider community
- safeguard the interests of Sunderland City Council and the school

Definition of a Letting

A letting may be defined as “any use of the school buildings and grounds by parties other than the school”. A letting must not interfere with the activities of the school.

Use of the premises for activities such as staff meetings, parents’ meetings, Governing Body meetings and extra-curricular activities of pupils supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the schools delegated budget and do not require a letting agreement.

There are three types of letting agreements:

1. **Licence Agreement** – this arrangement is used when members of the public wish to use an area of the school premises for an activity. An example is the use of a MUGA pitch to play football, or use of a room for members of the public to practice sewing. A Licence Agreement should be completed which lists terms and conditions for the use of the premises. Anyone wishing to hire a room on behalf of a commercial organisation, registered charity, established group/ association or who is employed for the purposes of the activity must enter into a Transfer of Control Hire Agreement (see below). Anyone providing a service to children will also require a Transfer of Control Agreement. This agreement does not create a business tenancy.
2. **Transfer of Control Agreement** – this agreement is used when the Governing Body is approached by a third party to provide a service/ activity to children or members of the community on the school premises. Such activities will not be supervised by school staff. Examples include dance tuition, arts and crafts clubs, sports coaching, community groups, associations and commercial organisations.

The Governing Body will either share control of the premises with the provider or transfer control to the provider for times specified within the agreement. This type of agreement allows providers to use school facilities without the management or administrative time of school staff. The governing body must obtain the Local Authority’s consent before entering into a Transfer of Control Agreement to ensure the correct agreement and permissions are attained. This agreement does not create a business tenancy.

3. **Permanent Lease Agreement** – this agreement is used when the Governing Body wishes to have permanent groups on site who occupy parts of the premises on an exclusive basis. The school will not have access or use of a room and the

occupier controls the space. An example is an independent nursery occupying a part of the school premises. A lease agreement will be required for this arrangement. The lease creates a business tenancy and will be covered by Landlord and Tenant Legislation therefore the Governing Body must contact Property Services within the Local Authority who will draft the necessary lease agreement based on the individual requirements of the school

Event Notices

Hirers holding an event within the school premises may require a temporary event notice. Consultation will need to take place with the school and the Council's Events Section regarding such things as:

- Number of people present
- Capacity of the Venue
- Marking of emergency exits
- Provision of emergency lighting
- Safety plans

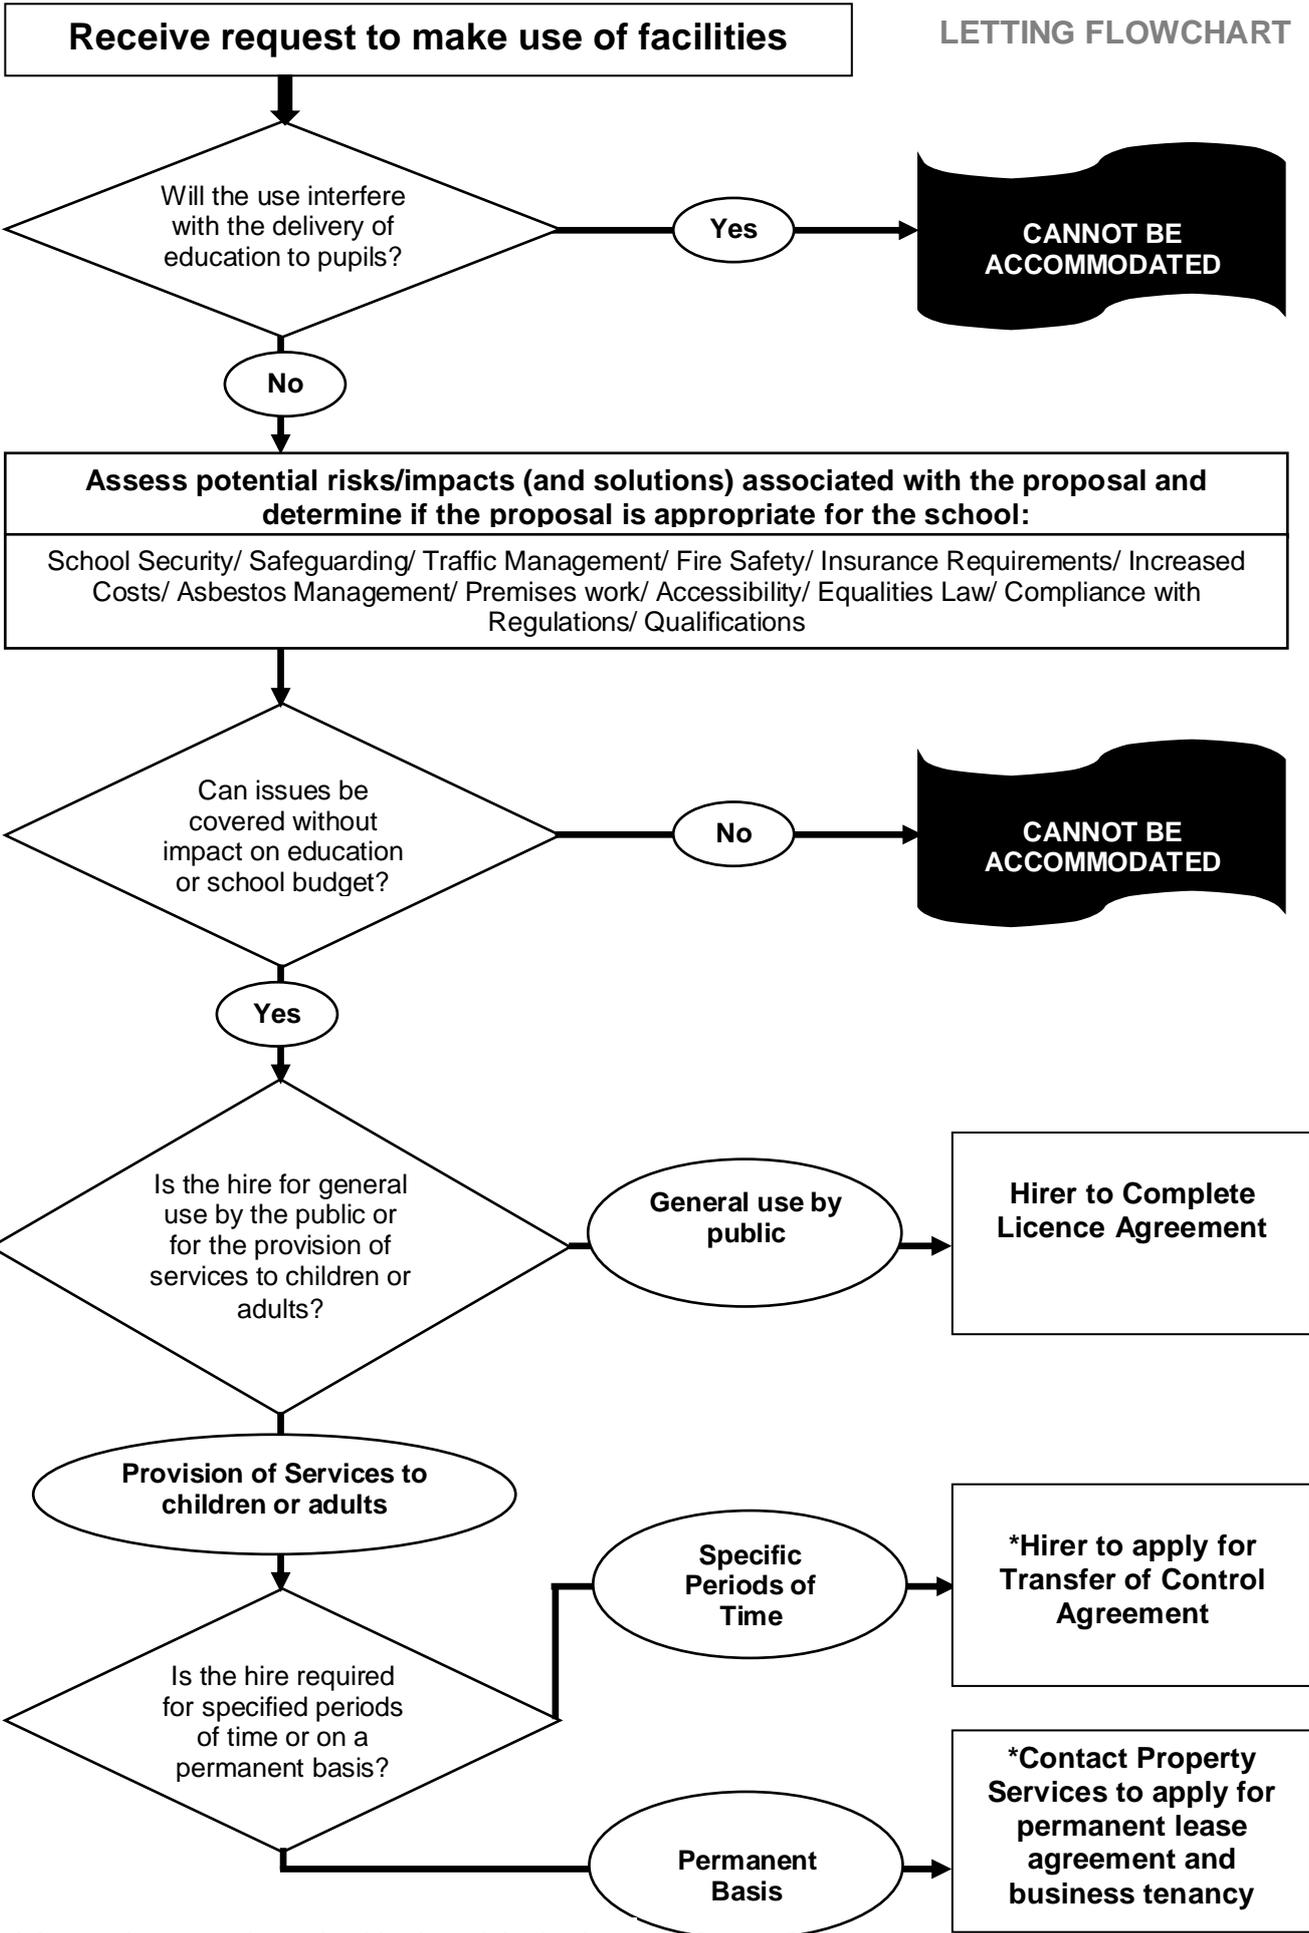

Contact will be made with the Council's Event Management & Health and Safety section (561 1744) to obtain advice on planning any event and the specific requirements thereof.

Licensing

Some activities and services require specific licences for example:

- Prize Bingo
- Public Entertainment
- Lotteries and amusement licence
- Theatre Licence

Contact will be made with the Council's Licensing section (561 1012) to obtain advice and the specific requirements thereof.

* Advice and approval required by Local Authority

Charges for a letting

The Governing Body is responsible for setting charges for a letting on the school premises. *Guidelines for assigning charges can be obtained from Property Services (561 2663) and Sports & Leisure Services (561 4600).*

A charge will be levied which includes but is not limited to the following:

- Cost of services (e.g. heating & lighting etc)
- Cost of staffing (e.g. security, caretaking & cleaning etc)
- Cost of “wear and tear”
- Cost for use of school equipment (if applicable)

The charges will be reviewed and approved annually by the Governing Body. Current charges will be provided in advance of any letting being agreed.

The school is constrained by law to apply value added tax to all transactions where this is appropriate.

The school reserves the right to require a deposit over and above the hiring charge as a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition incurring additional cost for cleaning, caretaking or other expenses.

The school will seek to recover any costs incurred by the school that are unavoidable and result directly from the cancellation of a letting.

Letting times, available facilities and equipment

Facilities and Equipment available for hire:

- Lower hall (main building)
- Upper hall (main building)
- Playing field

Lettings Times:

During Term Time	Monday to Friday	n/a
	Weekends	10am – 4pm
During School Holidays	Monday to Friday	10am – 4pm
	Weekends	10am – 4pm

Variations to the above facilities and times will be subject to the approval of the Governing Body.

Security

The Governing Body will determine the security risk for each letting and will be responsible for allocating a continuous security presence or other control measures.

Management and Administrations of Lettings

The responsibility for the management of lettings lies with the full Governing Body of the school. The day to day management decisions are made by the Governing Body (or one of its committees where powers have been delegated). Direct onsite responsibilities lie with the Headteacher or Business Manager.

The Headteacher will need to be satisfied that the Hirer is able to manage the let in accordance with school principles and policies before agreeing to accept the booking. If the Headteacher does not feel that satisfactory management procedures will be in place during the let they should not accept the booking application. If the Headteacher has any concerns about whether a particular request for a letting is appropriate or not, he/ she will consult with the Chair of the Governors who can seek advice from the Local Authority.

An annual report on lettings will be made to The Governing Body and will include information on users, outcomes, finances, incidents and accidents, enquiries, and any lettings refused.

Administrative Process

An individual or organisation should approach the Headteacher or Business Manager to request the use of facilities.

Using the flowchart, the Headteacher or Business Manager will determine if the let can be accommodated and what type of agreement is appropriate; Licence Agreement, Transfer of Control Agreement or Permanent Lease Agreement. Risks associated with the let will be considered and acted upon as appropriate.

Licence Agreement

1. The Applicant should sign the Licence Agreement, acknowledging and agreeing to adhere to the stated terms and conditions (**see Appendix A**).
2. The Hirer should pay the fee prior to the date of the hire.

Transfer of Control Agreement

1. Applicants should complete the application form and return to the Business Manager or Headteacher (**see Appendix B**).
2. The Headteacher or Business Manager will consult with the Governing Body (or delegated committee) to assess the potential risks and solutions associated with the proposal and determine if the proposal is adequate for the school.
3. Where applicants are unsuccessful, the reason should be stated on the application form and returned to the applicant. The applicant may wish to appeal the decision using the appeals procedure set out in this policy.

4. Where the application for a let is accepted, the applicant will be contacted and asked to enter into a Transfer of Control Agreement. The Governing Body (or delegated committee) should consult with the Local Authority to develop the agreement (*see Appendix C*).
5. All documentation required from the applicant for the Transfer of Control Agreement should be checked and verified by the Headteacher or Business Manager.
6. Once the Transfer of Control Agreement has been signed, the hirer should pay the letting invoice, in full, 7 days prior to the date of the let, or before the first occasion if it is a block booking.

Organisations or companies can advertise their services within the Families and Information Service Directory (see appendix D)

Permanent Lease Agreements

1. The Headteacher or Business Manager will consult with the Governing Body to assess the potential risks and solutions associated with the proposal and determine if the proposal is adequate for the school.
2. The Governing Body should contact Local Authority (Property Services) who will draft the necessary lease agreement based on the individual requirements of the school.

Organisations or companies can advertise their services within the Families and Information Service Directory (see appendix D)

For all agreements the school should maintain a suitable record of current lettings and amounts due. For regular users or block bookings, income due and income received should be recorded, e.g. on control sheets, allowing balances outstanding to be clearly identified. Where lettings income due remains outstanding, prompt and appropriate recovery action should be taken.

Cancellations

Governors will seek to recover any cost incurred by the school which are unavoidable and result directly from the cancellation of a letting as set out in the charging policy.

The Governing Body reserves the right to terminate a hiring agreement at any time on reasonable grounds.

The Governing Body reserves the right to cancel any booking based on reasonable grounds and shall seek to give one months notice in writing for any cancellation.

Appeals Procedure

1. If a Hirer has a letting application rejected or agreement withdrawn, they have a right to appeal to the Governing Body.
2. The appeal should be made in writing and will be presented at the next full meeting of the Governing Body.
3. The Hirer will be informed of any action and/or decision taken by the Governing Body.
4. The Governing Body's decision is final.

Complaints Procedure

1. If a Hirer is dissatisfied with any aspect of the service it has received they should at the earliest opportunity attempt to resolve this with the staff of the school. Every effort will be made to resolve disputes between the parties quickly and effectively:
2. In the event of a dispute, the complainant should proceed as follows: -
 - a. The relevant member of staff should be contacted to try to resolve the problem
 - b. If the matter cannot be resolved satisfactorily the Headteacher should be contacted.
 - c. If the matter remains unresolved, the complaint must be submitted in writing to the Headteacher.
 - d. Where the Headteacher has failed to satisfy the complainant, the Governing Body (or a committee or an individual governor where delegated to do so) may review the case.
3. Having exhausted the steps above, all unresolved disputes or differences shall be referred to a single arbitrator who shall be determined by the school's Governing Body.

Transfer of Control Agreement (TOCA)

INTRODUCTION

Governing Bodies control and are responsible for school premises both during and outside of school hours. The exception to this exists if a Governing body has entered into a "Transfer of Control Agreement" with another party.

A Transfer of Control Agreement (TOCA) is the way in which the Governors can permit a third party to use part of school premises by transferring control of that area to the third party for a given period of time. It does not create a business tenancy

A TOCA creates legal rights and responsibilities and so the parties need to consider whether they should take independent legal advice about entering into it. The individuals signing on behalf of the 'User' may be taking on personal liability by doing so.

The precedent TOCA is intended to set out standard terms which governors and third parties might consider adopting, with spaces for information that the Governors and the third party can add based on what they have agreed. These Notes provide guidance on the standard terms and the areas where the parties need to add extra information.

NOTE 1 - THE PARTIES

The "User" is the legal entity in which Sunderland City Council is contracting with i.e. a registered commercial organisation or charity.

If the User is an organisation, the name of the organisation, registered address and registration number should be stated as the contracted party.

If the User is not a registered organisation (i.e. partnership or club) it is important to set out the name and address of the individual who is authorised to sign the agreement on behalf of the User.

If the User is an individual, set out their name and address.

NOTE 2 - THE TRANSFERRED AREA

It is useful to attach a plan to the TOCA marking the area that is being transferred. If this is not possible, define the transferred area as clearly as possible to avoid confusion. It is also important to set out what additional areas the user can have access to, such as toilets and changing rooms and to indicate if any particular routes need to be taken.

NOTE 3 – LOCAL AUTHORITY CONSENT

The Governing Body needs to obtain the consent of the Local Authority before agreeing to the transfer.

NOTE 4 - NOTICE PERIODS

There is no set period of notice that must be given so the Governing Body and the User can decide this between themselves. However, it is important that notice periods are reasonable.

NOTE 5 – THE FEE

Set out any other arrangements that the parties have agreed, for example, method of payment or day of week for payment.

If the Governing Body is not charging a fee, include a nominal amount (E.g. £1) so that the other terms and conditions can still be legally-binding on the parties.

NOTE 6 – HEALTH AND SAFETY ARRANGEMENTS

Set out any specific arrangements that the parties have agreed, for example, in relation to equipment that the Governors are permitting the User to make use of.

NOTE 7 – INSURANCE

The insurance policies must be in the name of the User as stated in the contract. Where the arrangements are complex or unusual it is sensible to check with the Council's Insurance Section that the insurance cover is adequate.

NOTE 8 – VAT

If in doubt, seek advice on this clause and the applicability of VAT to the arrangements.

NOTE 9 - SIGNING THE TOCA

To formally complete the TOCA, both parties need to sign it. Normally, the TOCA should be dated with the date that the last party signs it, as this is the date on which the agreement is made. The date of the agreement is set out at the start of the document.

NOTE 10 – POLICIES AND PROCEDURES

There are a number of policy/ procedure decisions to consider when developing a TOCA. The following should be included in the TOCA agreement:

- Description of the staffing arrangements during the let
- Description of the employment arrangements
- Contingency plan for school closure (both temporary and permanent)
- Safeguarding protocols
- Equal opportunities policies
- Restrictions/ priorities for particular user groups
- Health and safety responsibilities
- Financial charging arrangements for management and overhead costs
- Data protection, confidentiality and records retention.

NOTE 11 - SUPPORT

The Governing Body must consult with Property Services (0191 561 2663) to develop the agreement. Property Services will consult with the necessary departments, including the Chief Solicitor, if so required.

Additional support is also available through the Extended Services lead officer in the Governors Clerking Unit in the development of management agreements, terms of reference and other statutory areas.
