

PALS

Parents at Ladygrove School PTA

"Dedicated to enriching and supporting the lives of children by providing resources and communication, and encouraging involvement in the school and community"

What is PALS...

We are a very friendly and active group of parents and teachers, working together to fundraise for resources and equipment for our children at the school. From school discos to the summer fete, even the Christmas Card project - all of these are organised by PALS.

Who we are...

In 2015, we officially became a registered charity. All parents and guardians of pupils at the school and teaching staff are automatically members of PALS and we also have an elected committee. See the website for our current officers.

How can you get involved...

We have regular meetings that everyone is welcome to come to and we are always happy to welcome new faces! We have a busy events and fundraising calendar and always appreciate your involvement, whether it be helping out at an event every now and then, or planning them. Please do get in touch, we'd love to have you on board!

Just remember-

- There's no contract
- No longstanding commitment
- No selection process

If you'd love to help the school and have a laugh whilst doing so then PALS needs you!

If you'd like to find out more about how to get involved, please find us in the courtyard before/after school or drop us an email at ladygrovepals@gmail.com

These are some of the items PALS has helped pay for!
