15<sup>th</sup> July 2016

Dear Parents and Carers,

As we come to the end of the Summer term I would like to take the opportunity to thank you for all your support over the last year and to remind you of a few events before the term finishes on Thursday next week.

## Events

Please remember that tomorrow (Saturday 16<sup>th</sup> July) we will be having Sports Day here at Martenscroft with lots of fun games as well completing the Big Toddle together. This event is for all the family and we hope to see you from 1.30pm.

Today we have enjoyed our end of year parties together and the children have loved seeing all the animals which were brought in by ZooLab. On Monday you are invited to join us for our '**Leavers Celebration**' in the hall at 2pm. This celebration is only for the children who are leaving Martenscroft due to numbers we can fit in the hall. We will present each child with a book as well as sing some songs together that the children have learnt in their music sessions with Katie. Next Thursday we are delighted to have **Manchester Camerata** musicians coming to facilitate some fun music sessions with the children before they break up for the Summer holidays.

## Learning journeys

For all those children who are leaving Martenscroft I would like to wish them all the very best for next year as they move onto primary school. You will receive your child's learning journey folder to keep as a wonderful record of all their achievements while they have been with us. However, please remember that if you would like to keep a record of your child's Tapestry online learning journey you will need to do this before Friday 29<sup>th</sup> July as your child's account will be deleted after this date.

## Building work over the Summer holidays

As explained in the latest newsletter, we are delighted that we are able to go ahead with the building work alterations and decoration to accommodate additional two year old funded provision from September. This work will need to start on Friday 22<sup>nd</sup> July in order for the works to be completed on time, so please understand that in preparation next week we will need to start taking down displays and move any necessary resources ready for Friday. We will try and keep any disruption to an absolute minimum.

I wish you all a wonderful Summer holiday and the very best for all the transitions that will be taking place in September as your children move onto the next stage in their learning and development.

Yours sincerely,

Liz Hardy  
Headteacher
