

Pupil Voice (Issue 3)

Every half term, you will be able to find out what our children think about a variety of things in school, such as their roles and responsibilities, trips they've been on and work that they are proud of, plus much more!

Thank you Co-op Community fun (written by Fraser and Summer Year 5)

Dear Co-op community fund,

Thank you for funding our school with £5,000. We are very grateful for this kind donation as this will allow us to explore many opportunities with sport. Clearly, you can see that this funding will have a big impact on teachers as well as pupils. Safety is a number one priority but we still haven't 'cracked the code' when it comes to the pen that we have in school as people can still get hurt by balls flying everywhere. Your donation will let us build a safe area for children to play in. As you already know, Britain's weather is shocking when it comes to rain. Your kind donation will also help provide a slip free area to play and let us take part in PE all year round.

We are very thankful for this modern, up-to-date space that we can now build. It will help PE lessons and after school clubs explore all possibilities. When the new area has been built, we would love you to come and visit our school so that you can see what a dramatic difference your money has made to all the children at Christ Church.

Thank you very much for this generous donation. We are over the moon with it and we can't wait to use our new learning area.

Yours sincerely,

The Playground leaders, our wonderful teachers and lucky pupils.

The Rainbow Fish by Corina (Reception)

In the deep sea there was a fish, not an ordinary fish. They were amazed by her beauty. One day a little blue fish came. 'Rainbow Fish please can I have one little shiny scale?' The Rainbow Fish said 'Get away from me,' So the little Rainbow Fish told all his friends then nobody would have anything to do with the Rainbow Fish. The Rainbow Fish was the loneliest fish in the sea. The fish turned away when she swam up to them. Then she went to the Star Fish and Star Fish said 'Why don't you go to the wise octopus.' The Rainbow Fish found the octopus in a dark cave. 'Give a scale to each of the fish.'
'How will I ever be happy without my scales?'
Then she shared all her shiny scales. Then the little red fish came and the little blue fish came and they all played happily. Rainbow Fish splashed off to join her friends.

Lego club pupil voice

'I have loved playing with the Rocket and working with a timer.' Dylan

'I have loved building the rocket and playing with the car.' Thomas

'I really liked being the builder and helping my friends to build the rocket.' Benjamin

'My favourite job was being the builder. It's a brilliant club and I've learned lots and lots.' Alfie

Year 6 Pupil Voice

'I will miss all of my friends in Year 6. I think that Christ Church is brilliant because everyone gets along and there are lots of things to do.' Jack E

'I really like all of the teachers at Christ Church and I will really miss how kind everyone is to each other.' Faith

'I will really miss the lunchtimes – how much fun it is and the opportunities that you have' Jess S

'I have loved all the experiences that we have had and I am thankful to the school for letting us do all of these things.' Liam

Cookery club pupil voice

'I really enjoyed cooking different foods and working with people I have never worked with before. I have learned how to make cakes and I am going to make lots at home.' Nyle

'I really enjoyed working with my class mates and I learned lots. I really enjoyed cooking the crème brulee because you got to use a blow torch.' Jess

'I really liked trying new food which I had never tried before, like fish. I didn't like it before and now I like it - I am going to try to cook it at home now.' Euan

'I learned that you have to have clean hands before you cook and I now know how to cook fish pie...it was yummy.'
Holly

Reception pupil voice

What have you enjoyed about Reception?

Learning to write - I couldn't do it when I started Reception. I've got better using my phonics. I liked going outside because I like the dinosaurs. I love playing with all of my friends. Writing - I really like writing words. My teachers, I love them because they look after me.

What are you looking forward to in Year One?

I'm looking forward to learning how to add up even trickier numbers! All of the work. I'm looking forward to meeting my new teachers - I like Miss Orme's classroom!

Year 1 Pupil Voice

What have you enjoyed about Year One?

'I loved it when we went to Plantasia Maze World. I have enjoyed playing outside. Maths - I like it when it's really hard because I feel happy when I have worked out the answers. I liked the Big Bad Wolf because he wasn't mean. I enjoyed making my magic bus because it got messy. I liked doing Literacy. I liked doing my Maths in Year 1 because it was really hard - I like a challenge! I liked our 'What are memories?' Big question because I learned what it was like in the olden days.'

What are you looking forward to in Year 2?

I'm excited to have a new teacher to see how she gets on with us. I'm looking forward to learning even harder things although it has been challenging in Year 1

Year 4 'Whitemoor Lakes'

'I loved the zip wire because you were able to go upside down.' Millie

'I liked the raft building and then I fell in the lake, which was really funny!' Lara

'I liked the challenge course because we had to work as a team - it was quite challenging.'
Owen

'I learned how to abseil. At first I was really scared but once I got on the wall it was really good. ' Chloe
