Dear Pupils of Chellow Heights School,

Thank you for making me so welcome when I visited your school to assess 'Investors in Pupils'. You were all extremely polite, friendly and well behaved. You are obviously proud of your school and the work that you are doing to ensure that it becomes an even better place for everyone at Chellow Heights. Thank you for helping to make the assessment day go so smoothly. I am very grateful to the school council, my tour guides and other pupils who came to talk to me for helping me to understand how your school works and how successful it is. Everyone I met had a lot to tell me and you all spoke clearly and confidently.

I was very pleased to find out about the many things that the staff do to help you. They work hard to make the school such a good place to be so that everyone enjoys their learning. There were so many examples of the excellent work that has been completed by pupils across the school.

I found out that:

- You enjoy coming to school because of the many exciting activities Chellow Heights provides for you.
- You appreciate the way that all the staff help you to learn.
- You try to support each other whenever you can.
- You like the staff and they like you.
- You are certain that new pupils settle in very quickly.
- You feel very safe in school.
- You have targets and try hard to achieve them.
- Your behaviour is very good and there are hardly any instances of bullying.
- You like the rewards you receive both as individuals and as a team.
- You really enjoy the Special Drawer and Treat a sauros
- Your ideas are listened to and the school council is very important in school.
- You can get new things if the school council ask for them.
- You enjoy having different roles and responsibilities, such as register monitor and delivering milk and fruit.

Well done to all of you! I hope that you are going to have a big celebration now that you have the 'Investors in Pupils' award.

I really enjoyed my visit to your school – keep up the good work!
