## My Family

I am engaged, but haven't got a clue when the wedding will be. I have two fantastic sons, William who is 12 and competes for Doncaster Athletic Club as a multi eventer. He has been awarded many medals and trophies and has recently achieved the club record for javelin.

My other son, Harry, is 8 and plays rugby for Doncaster Knights junior team. In his first season he was awarded players player of the season.

I enjoy family, visiting my mum and dad, (when they are not on holiday), and getting together for special occasions.

## Fun Facts

I love watching Athletics and Rugby.

I used to throw the javelin and was number 2 in South Yorkshire.

I enjoy cooking and creating meals from scratch.

I used to live in Germany.

I love to read when I get time to myself (which isn't often).

## My Hobbies

In my spare time, (which isn't much), I enjoy baking cakes, especially birthday cakes when I can be really creative. I enjoy family bike rides and walks in the autumn. I love family holidays to Majorca where we go every year. Another of my favourite places is Masham in North Yorkshire where we stay in a log cabin.
