

Mrs Sneath Teaching Assistant

My Family

I have two children, Lauren who is seventeen and loves to play cricket and listen to music. Kyle is thirteen and loves to play cricket and rugby too.

I have been married for twenty years and we have a lovely Dogue de Bordeaux dog called Bailey.

My family and I love to go Caravanning, walking and spending time together.

I love to go shopping (although my husband would rather I didn't) and spending time with my family.

Fun Facts

I love Peter Andre and one day hope to meet him.

I enjoy reading fiction books.

I once met Liam Gallagher and couldn't speak!

I like watching the soaps.

I love chocolate any kind, any time.

I really like perfume and have about forty different bottles.

My Hobbies

My family and I enjoy Caravanning and visiting new places. Most weekends are spent travelling around Yorkshire watching both my children play for their cricket teams. When I am not doing this you will find me in Meadowhall...at the perfume counter!
