

This year has been the best for PE. Rugby has been especially brilliant. We have won the majority of our games, we have so many children attending and it has given me an opportunity to meet new friends.

Yacer (Burgundy class)

Before Year 5 I never used to take part in sport. Now I participate in the Golden Mile daily.

Freddie

The new sports Mr Watson has implemented have given more opportunities for all children in all age groups.

JD

I have thoroughly enjoyed trying new sports particularly girls football.

Keira (Year 5)

We have entered many competitions this year. I have been lucky to represent the school at gymnastics, rugby, indoor athletics and district sports.

Rowan

Being chosen for the Sky Sports Living Event was an honour. We were fortunate to meet some famous athletes.
