

## PE and SPORT FUNDING 2015-16

### Impact of spend

Over the past year 2015-16 we have been allocated **£9160** for the development of PE and sport to promote fitness, healthy living and wellbeing.

This money has offered the opportunity to develop our provision not only for PE but with our Little Leaders, extending into lunchtimes and break times.

Over the past year 2015-16 we have developed our provision through funding by providing;

1. Sports day staffing and resources at a cost of £500
2. Athletic coaches (for sports day) coaches- £500
3. Little Dribblers in reception classes: £1575
4. Teachers CPD Jenny Moseley (Ms Earl) effective lunchtimes- £110.
5. Disseminated of Jenny Moseley training to lunchtime care assistants over 2 staff meetings- supply cover AE: £140 + Overtime for staff: £100 (2/3 and 9/3)
6. Dance festival coach: £220
7. Anti-Bullying Crew resources- £100

### **Impact:**

1. Sports day enhanced and extended new and old skills for the children across all the year groups and was a very successful day in partnership with the Foundation of Light. Parents Questionnaires commented that the day was “
2. Sunderland Foundation of Light completed athletics skill sessions with all children in school. Each teacher was involved in these sessions and so current and focused CPD for the teaching of athletics was delivered.
3. Little Dribblers: At the end of the academic year in EYFS, 91.3% of children achieved the early learning goal for moving and handling. Some children from Reception were identified as talented in PE and their names put forward for Sunderland AFC football teams.
4. Jenny Moseley training: behaviour at lunchtime and playtimes and organisation and the range of activities on offer were improved due to intense training provided by A Earl (SENCO)- year 2 ‘runners’ were developed to collect reception and year 1 children and ensure they walk sensible down the corridors. From SLT walk through the long line of children waiting for lunch to be served to them was drastically reduced. (see monitoring file)
5. The training with lunchtime staff has raised the confidence of lunchtime supervisors overall in school. Staff are now able to actively involve children in games and activities at lunchtimes ensuring that children are occupied and active.

6. A qualified dance coach was appointed to run a dance class after school. This taught boys and girls in year 2 a set routine which they performed at the Sunderland Dance festival 2016 which was held at the Empire Theatre. Children gained skills in how to complete a dance routine, how to work as a team and also developed their performance skills.
7. The Anti-Bullying Crew bought new tabards and resource to help ensure they can be seen on the yard by those needing a friend. Badges were also bought for then crew. This has helped school to develop a happy and calm atmosphere on the yard and helps children to feel safe at school at playtimes.
