

Outdoor Play

Our new outdoor area really does provide reception with the best learning environment.

The outdoor space mirrors the indoor areas and provides greater opportunity to develop experimental skills and improve both fine and gross motor skills through real life experiences.

To enable your child to make the most of our outdoor area please could you provide them with waterproof clothing and a pair of wellington boots to be left at school and please ensure their name is clearly labelled inside.

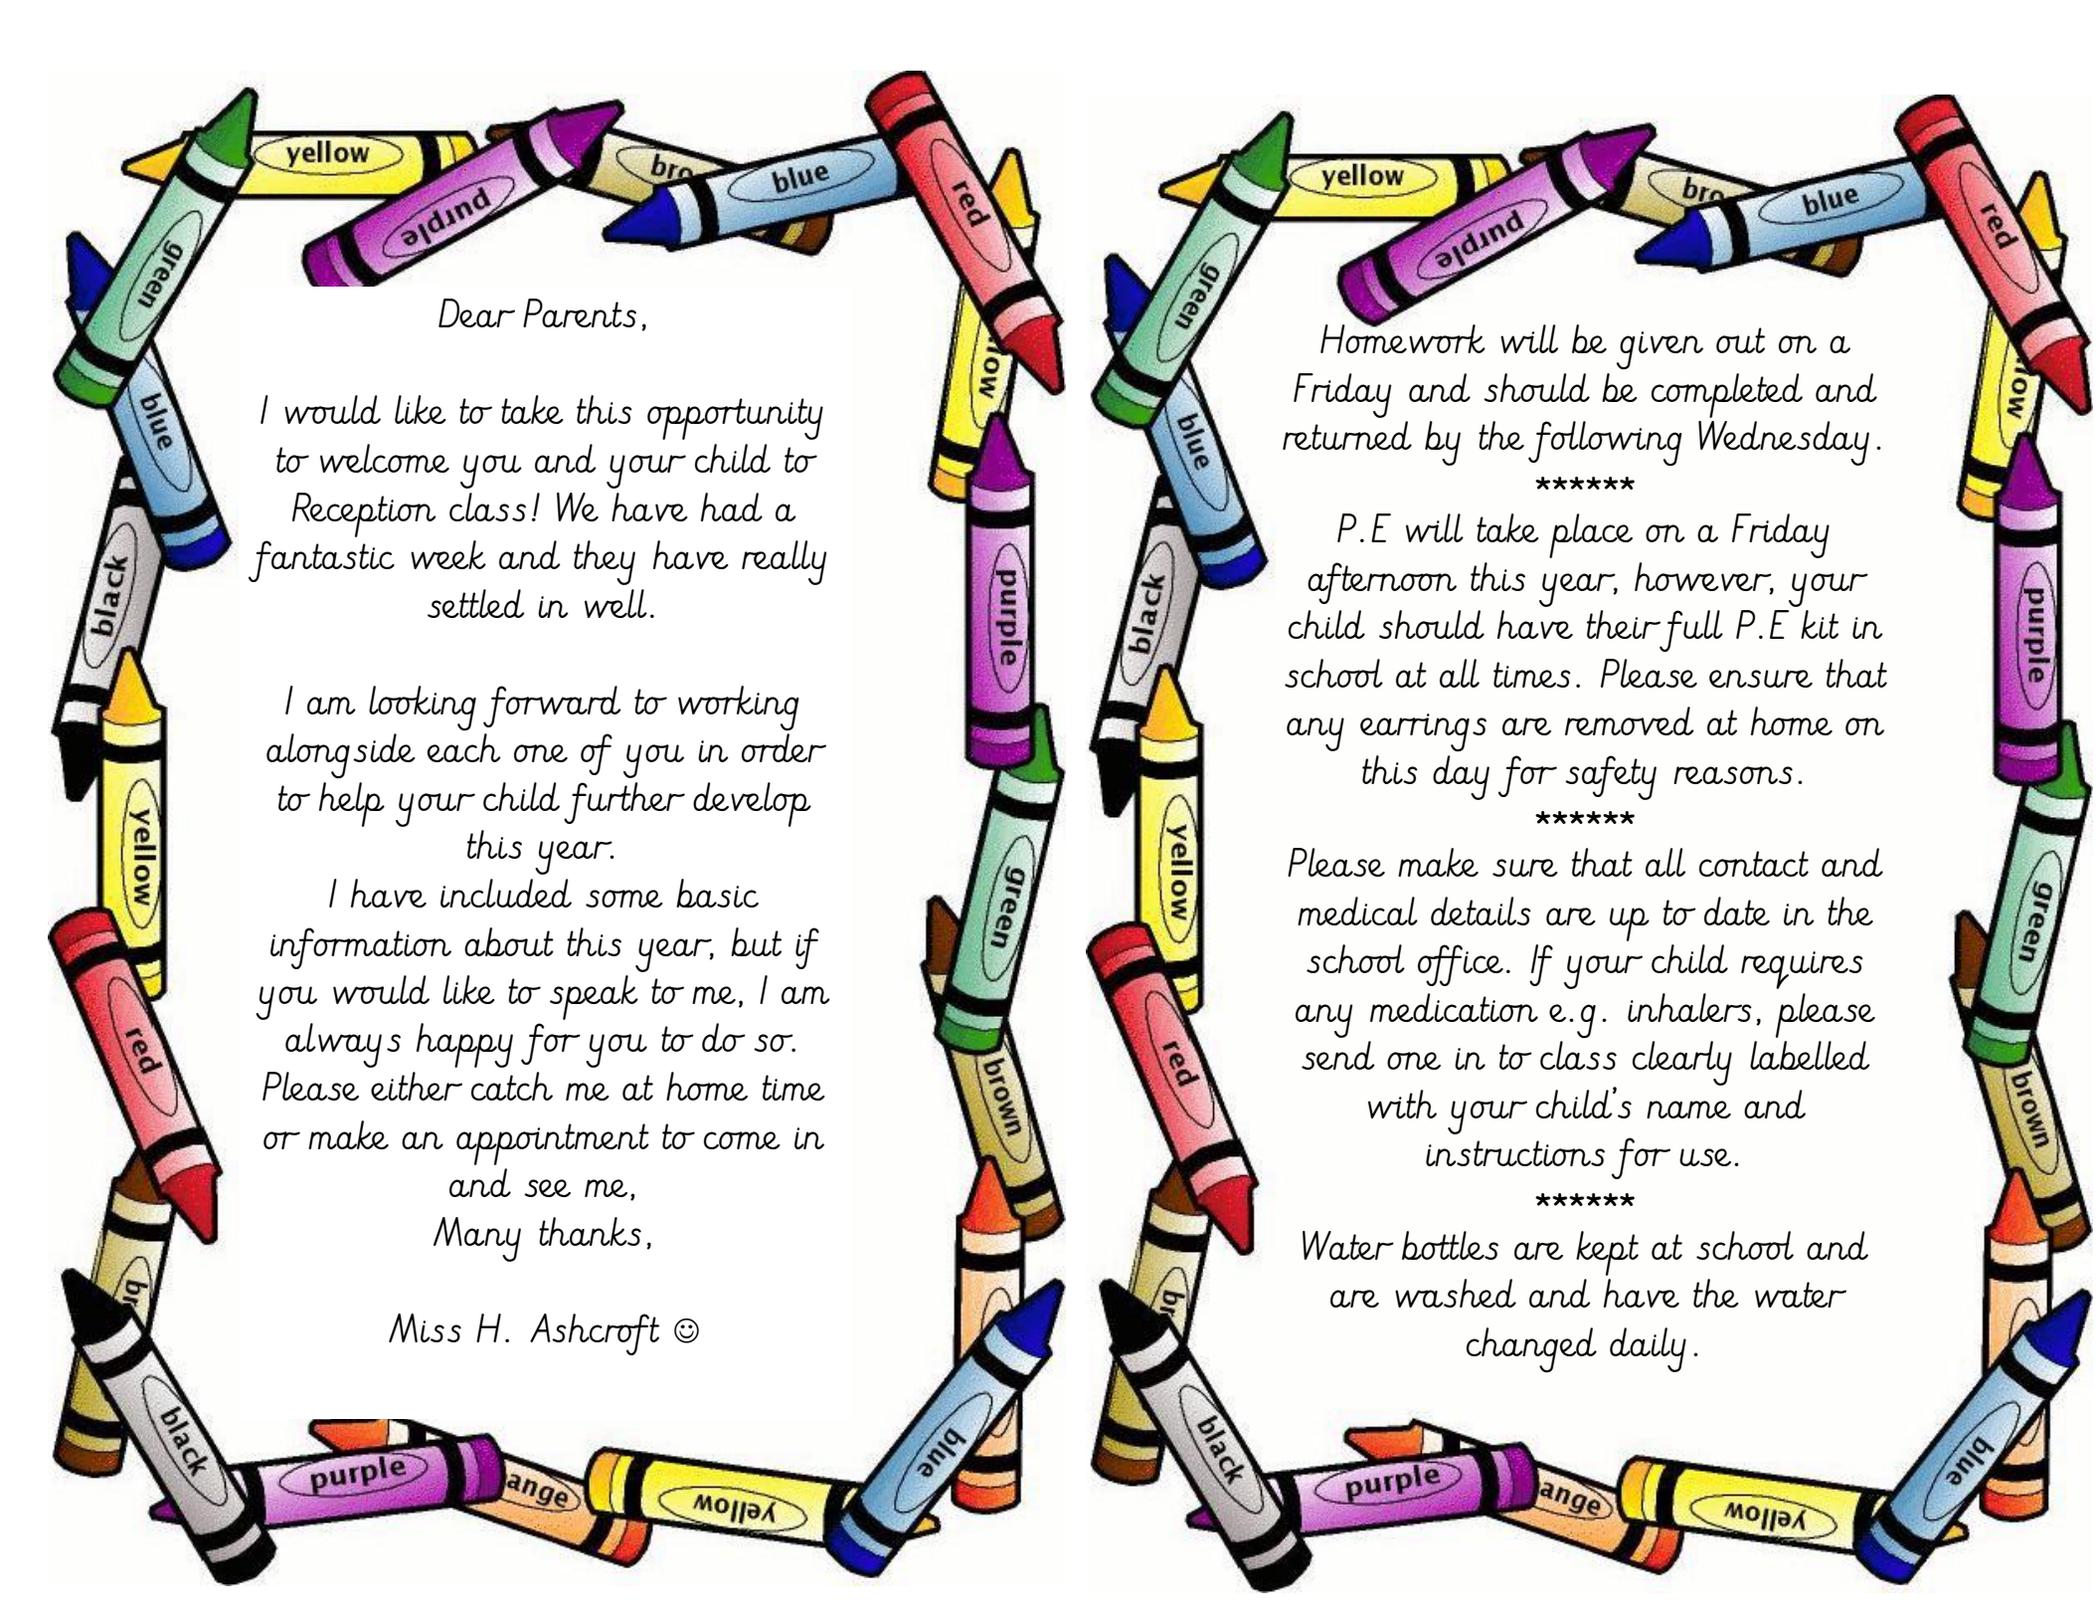

Welcome to

Reception

Miss Ashcroft
Miss Smethurst
Miss Richards

Dear Parents,

I would like to take this opportunity to welcome you and your child to Reception class! We have had a fantastic week and they have really settled in well.

I am looking forward to working alongside each one of you in order to help your child further develop this year.

I have included some basic information about this year, but if you would like to speak to me, I am always happy for you to do so. Please either catch me at home time or make an appointment to come in and see me,
Many thanks,

Miss H. Ashcroft ☺

Homework will be given out on a Friday and should be completed and returned by the following Wednesday.

P.E will take place on a Friday afternoon this year, however, your child should have their full P.E kit in school at all times. Please ensure that any earrings are removed at home on this day for safety reasons.

Please make sure that all contact and medical details are up to date in the school office. If your child requires any medication e.g. inhalers, please send one in to class clearly labelled with your child's name and instructions for use.

Water bottles are kept at school and are washed and have the water changed daily.
