## **EXTRA-CURRICULAR ACTIVITIES**

### **School Clubs**

As well as your child's classwork the school offers a variety of extra-curricular activities to enrich your child's learning experiences.

The activities may vary. All children are required to seek parental permission to attend. Regular attendance is encouraged. You child will be notified of the clubs available.

### **School Visits**

Children's experience of life is extended by taking them out of school on educational visits during the school day. These begin at an early age and are closely linked to the work of the class. Older children experience residential visits to an outdoor activity centre.

### **Swimming**

As part of the statutory PE curriculum pupils will attend swimming sessions when they are in Year 5.

### **Cycling**

Bikeability sessions are offered to all Year 5 pupils.
