7 September 2016

Dear Andrea,

We would like to thank staff and parents of Caroline Haslett Combined School for raising £158.69 for Willen Hospice by your Summer Production.

Once again, we're absolutely delighted that you chose to support our Hospice to benefit from your donation.

As you read this letter, people are being cared for in our Hospice. They're being supported with their end of life care in a compassionate, comfortable, specialist environment that helps give them dignity, peace and comfort. As I write this letter, our patients' families are also being supported. Whether it's helping them cope with their bereavement, giving respite to carers or helping with advice on the future. This is happening because people like you cared.

What we do at Willen Hospice is thanks to the generosity of the local community and amazing people like the staff and parents of Caroline Haslett Combined School.

We'd love to give you the opportunity to find out more about how your support helps us. If you'd like to arrange a visit to the hospice, please do call or email me on the details below.

Again, thank you for your dedication and generosity. If I can help with any fundraising plans you may have in the future, please don't hesitate to get in touch.

Yours sincerely,

Allison Waterhouse
