

Achievement For All

Livingstone Primary School is now in its fourth year of the AFA program. The aim of the program is to maximise children's potential, through raising their aspirations, increasing access and improving achievement.

There are four elements that are the focus of the program.

- **Leadership of Achievement for All** - to ensure schools maintain a focus on the achievement, access and aspirations of pupils.
- **Element 2. High quality teaching and learning** - leading to improved progress for all pupils.
- **Element 3: The structured conversation with parents** – to improve parents' engagement with school and their involvement in their child's learning and achievement.
- **Element 4: Wider outcomes** – to support the participation, enjoyment and achievement of children in all aspects of school life and beyond.

This year our AFA children have been involved in a number of new initiatives and exciting opportunities, some of which have included RM Maths, BIG Writing focus group, Wildlife Rangers, sculpture creation, maths challenges and adventurous activities.
