Children in Year One - Class ES
Fruit Letter

Next week and the following week (w/c Monday 26 Sept and w/c Monday 3 Oct) we are having a fruit focus as part of our 'Ourselves' topic.

On **Thursday 29 September** we will be making a fruit salad in order to get lots of talk about the fruit, explore the differences and similarities in the fruit, investigate the parts of the fruit, then cut the fruit, mix it and the best bit of course, we will try it.

We would appreciate it if each child could go to buy themselves a piece of fruit, in order to look at all of the varieties on offer, again a great chance for lots of talk. This will then be their piece of fruit to talk about and share with the class on Thursday morning. Each child will be asked to tell us the name of the fruit and everything they know about it so the more you can prepare your child with this, the more confident they will be.

This should lead to an exciting learning activity. With home and school both involved I think the excitement around the 2 week mini topic of fruit will be great.

Thank you in advance –I am looking forward to seeing the variety of wonderful things that are brought in.

Yours sincerely

Mrs E Sharkey
Class Teacher
