

# BYRON COURT PARK & STRIDE

Dear Parents / Carers,

As you may be aware, we are working very hard to try to reduce congestion at the school gates and encourage more pupils to walk to school. We hope that by doing this, the school gates will be a safer place, encouraging more families to walk to school as well as making the air cleaner.

We understand that not all children are able to walk the whole way to school, due to distance, parents work commitments or other reasons. If you do have to bring your car, you can still help with this by taking part in the Park and Stride scheme. We are lucky to have the Northwick Park car park nearby and would like all parents to use this and walk the last 6 minutes to school. It is a very casual 6 minute stroll.

(If you are not sure where the car park is, please see the map below)

**Brent have now waived any enforcement when parking in Northwick Park car park before 9:30am and between 2:30pm and 4:00pm. You will no longer need to ring to register your car between these times.**

Thank you for your support to make this important part of the day a safer and happier one for everyone in the Byron Court Primary School area.
