Gardening Volunteers

If you are able to spare an hour (or more!) between 10.00 and 2.00 on Saturday 1st October, weather permitting, to help with gardening/tidying tasks we would really appreciate it. We are hoping to make the gardens easier to maintain in preparation for gardening projects that the children can be involved in and would love it if you were able to help (dads welcome to help with the heavy work). We are also looking for volunteers to ask for vouchers, donations etc. from garden centres to help us along - we are happy to mention them as sponsors in our newsletter.

Some of the items we need are:

Large matching ceramic plant pots

Compost

Membrane

Stones/slate

Wood stain/protector

Shelving for shed (if you have any unwanted shelving at home old stuff would do)

Children's small wellies to use as planters

If you are able to help please contact the school office.

Monday 19th September - Individual photos

If you would like your child to have a photograph taken with a younger sibling who is not in school, the photographer will be available from 8.30am in the school hall.
