July 2016 School Performance

As we enter a new school year, one way that we reflect on the last is by analysing key data across the classes in order to celebrate school achievements and to feed into action planning for the next academic year.

The data on this page shows how well our children have performed in comparison to other children nationally and across Kirklees local authority.

We are delighted with our schools performance, especially at the end of Key Stage 1 and 2 where the children were tested on the new curriculum and under a new and more challenging set of tests. Well done to all of our children and a big thank you to you as parents and guardians for all of your continued support. I hope that you will share with me a huge thank you to all of our staff who work hard to ensure that your children achieve.

Reception: % of children reaching a 'good level of development' at the end of the year

★ Good Level Of Development

Year 1 phonics: % children passing the national phonics check

🗣️ Year 1: Working At

Littletown J I & N School

Year 2 phonics: % of children passing the phonics check resit (children that did not pass in year 1)

Year 2: Working At

Key Stage 1: % of children meeting the national standard in reading, writing and maths

Reading - attaining EXS or better

Writing - attaining EXS or better

Maths - attaining EXS or better

RWM - attaining EXS or better

Littletown J I & N School

Key stage 2: % of children meeting the national standard in reading, writing and maths

📖 Reading - achieved standard

✍️ Writing - achieved standard

➕ Maths - achieved standard

🔍 GPS - achieved standard

(GPS: grammar, punctuation and spelling)

📖 RWM - achieved standard

Littletown J I & N School

Key areas that we will focus on in 2016/2017:

Standards: Continue to support and challenge our children to meet the national expectations in Reading, Writing and Maths across all year groups

Reading. Developing high level skills of reading and comprehension plus a love of reading amongst all.

Handwriting To develop the fine motor skills of all our children ensuring their handwriting allows their excellent written work to shine.

Each year brings new challenges and together we will ensure your children excel.

Safeguarding

Mrs Ward is the Designated Safeguarding Lead (DSL) in school along with Mrs Wensley and Miss Chilton who are deputy DSL's acting in the absence of Mrs Ward.

Please do not hesitate in coming to speak to us with any worries or concerns.

Keeping your children safe in school is our main priority above all else and all concerns will be taken seriously.

Online Safety

Your children will be taking part in online safety lessons across this half term. A message went out to parents with the link for free parent courses. Here is the link below:

Eid Mubarak!

Happy Eid to all of our families that have been celebrating this week.

Roald Dahl Day

On the 13th September, we all celebrated Roald Dahl's birthday and all of the brilliant stories written by him. The children took part in lots of different and exciting activities in class and all children took part in drama activities with *Murder in the Mews* in drama.

Dates for your Diary
