

## Findern Primary School Newsletter

8th July 2016

### Sports Day

Sports day went incredibly well and it was lovely to see the children being really active and enjoying themselves. I am really pleased that there was so much positive feedback regarding our new format to sports day. As you know, we like to try new things to improve everyone's experience when they visit school, and I'm glad that this change was so well received. Thank you to everyone who supported us.

### John Ports Maths Challenge

A huge well done to Emily Hall, Charley Nurse and Frankie Rose for competing against teams from other schools in South Derbyshire. Staff at John Port commented on how well organised our children were. Our team did incredibly well and we are so proud that they represented our school so well. Thank you to Mrs Nurse for transporting the children.

### Y6 SATs Results

We are very proud of all of the year six children who worked so hard this year to complete, what were very challenging SATs tests. We did particularly well, as our attainment was above the national average. I would like to thank Mr Gallen for guiding the year six children through their final year so well, but also the whole team who have all had an impact throughout the year six children's primary school career.

### Building Work

During the week beginning Monday 11th July we are having scaffolding erected around the older part of our building ready for when our roof works begin.

Please be aware that we may have a little more traffic on the roads during this week.

The roof work and the kitchen extension work will commence during the summer holidays.

### Mini Olympics

Fir class went to John Port school last Thursday to take part in a mini olympics afternoon hosted by sports leaders. The children took part in a carousel of sporting activities. All the children behaved and performed brilliantly. Thank you to parents and grandparents who were able to help with transport and cheering the children on.

### End of Year Disco

The end of year disco was brilliant! The children had a fantastic time dancing and socialising after school yesterday. Many thanks to everyone who helped to organise and run the event. We are trying to raise funds for a school mini bus and for furniture to kit out our new library.

### Transition

Children will need to go to their current class for registration on Monday 11th of July. After registration all children will move up to their new class from the 11th July to the 20th July. Children will have the last two days of term in their old class.

### This week: Our Best Ever (O.B.E)

Ash – Olivia Heath  
Elm – Indie Cripps & Dylan Smith  
Fir – Le'Rayah Wilkes  
Hazel – Lloyd Barbour
