

# Sycamore Class Prayer

Dear God

Thank you for creating the world we live in, for our families and friends and the animals we share our world with.

Help the world to be a better place by showing us how to treat each other with respect.

Help us to look after our friends and family.

Thank you God for treating everybody fairly please help everyone to follow your example.

Help everyone to be fair and always be kind and caring to others.

Please make sure that everyone looks after the environment so that our world lasts forever.

Please bring peace to the countries who are fighting and help them to find love and friendship.

Amen
