

School Improvement Plan 2016-7

Key
Issue 1

Achievement of Pupils: To ensure the basic skill set across the core subjects is 'mastered' to allow pupils to deepen and challenge their thinking.

Key
Issue 2

ABC

Quality of Teaching: To ensure that every lesson is designed and is bespoke to the needs of their pupils to foster a love of learning that ignites and fuels a quest for new knowledge.

Key
Issue 3

Leadership and Management: To support and retain staff through a targeted succession plan and secure accountability at all levels using additional professional development time

Key
Issue 4

Behaviour Safety and Well Being: To instil positive attitudes in pupils for their own well-being both physically and mentally and to develop life skills to prepare them well for their next transition stage.
