

Dear Parents and Year 6,

Here is our topic for this half term. Please use it to aid your own research or bring things in to class to support your learning.

Christian Values

Our Christian Value for this half term is generosity.

As Athletes we will:

Rehearse and perform sequences in gymnastics. These will include: jumps, rolls, travelling and also mirror imagery. We shall also be learning skills and competing in tennis matches.

In RE we will:

Be studying how Christians and other religions see life as a journey and learn how our beliefs shape those journeys.

As Scientists we will:

Be studying how to use criteria in order to classify animals. Also we will be imagining what a journey through the human body will look like.

As Mathematicians we will:

Be building on our knowledge of place value and the five strands. We shall also be learning about shape and space including how to work out the area and perimeter of 2D and 3D shapes.

As Artists we will:

Design and create local landscape paintings using water colours

As Historians we will:

Learn about the history of the local area including, why people came to Wigan and what industries helped Wigan to grow as a town.

As Geographers we will:

Increase our knowledge of maps and learn how to plan and find routes using this knowledge. We shall also be studying our local environment and study the difference between different landscapes (rural, industrial)

I'm a year 6,  
can you get me  
out of here?

As readers we will:

Increase our familiarity with map reading and following written instructions. We will also be reading, listening to and discussing, biographies and autobiographies and a range of poetry which creates vivid imagery.

As writers we will:

Plan, draft, write and evaluate our own and others work. We will be writing our own autobiographies and also writing both fiction and poetry.
