

Montgomery Junior School

Open your mind ▶ choose your future

22nd September 2016

Dear Parents/Carers

As part of our theme topic 'George's Marvellous Medicine' we would like to invite parents to join us for a class food tasting using food that the children have made.

The children will be making healthy food for the technology part of the curriculum. This will also link to measuring capacity and mass for maths. This will provide the opportunity for the children to talk to you about what they have been learning so far this year.

Class: 8P Day and Time: Friday 30th September 2016 at 2.15pm

If you are able to attend could you please return the reply slip below by Monday 26th September 2016.

Yours sincerely

Mrs Perry

Mrs Perry

P.S. If parents are not able to come you may send a family relative in their place.
