**Football Training Sessions - Autumn 2016**

Dear Parent / Guardian

Your child has been selected to play for our school football team this year and to represent Sarum St Paul's Primary School in our football team. Matches will be played over the coming terms at various primary schools in the Salisbury area. Further information will be sent out nearer the time and we do hope parents are able to support us for these events.

The team's training session will take place for both the boys' and girls' team on Fridays from **3.20 – 4.30pm**. The sessions will be starting on **Friday 16<sup>th</sup> September** and will be led by PH Sport, which is the same company who run our breakfast club. If your child would like to join the team and attend these training sessions, please sign and return the permission slip below as soon as possible. **Please ensure all slips go straight to Mrs England in the school office.**

All children need to have PE kits, shin pads and boots; we will provide the school kit before a match. The team will get changed in Miss Martindale's classroom (Year 6) and leave their belongings on the benches on the playground. Children do need to be aware that they are **committed** to coming each week until the end of term. These training sessions are crucial for the children to practise together and to organise positions and tactics for matches. If they are unable to do this, their place on the team may be offered to another child. If your child cannot make the session, please let their class teacher know.

Please do not hesitate to contact us if you have any further queries regarding this.

Many thanks,

Miss Cooke
