

Homework will be given out on a Friday and should be completed and returned by the following Thursday.

P.E will take place on a Monday and a Thursday this year, however, your child should have their full P.E kit in school at all times. Please ensure that any earrings are removed at home on these days for safety reasons.

Please make sure that all contact and medical details are up to date in the school office. If your child requires an inhaler, please send one in to class clearly labelled with your child's name and instructions for use.

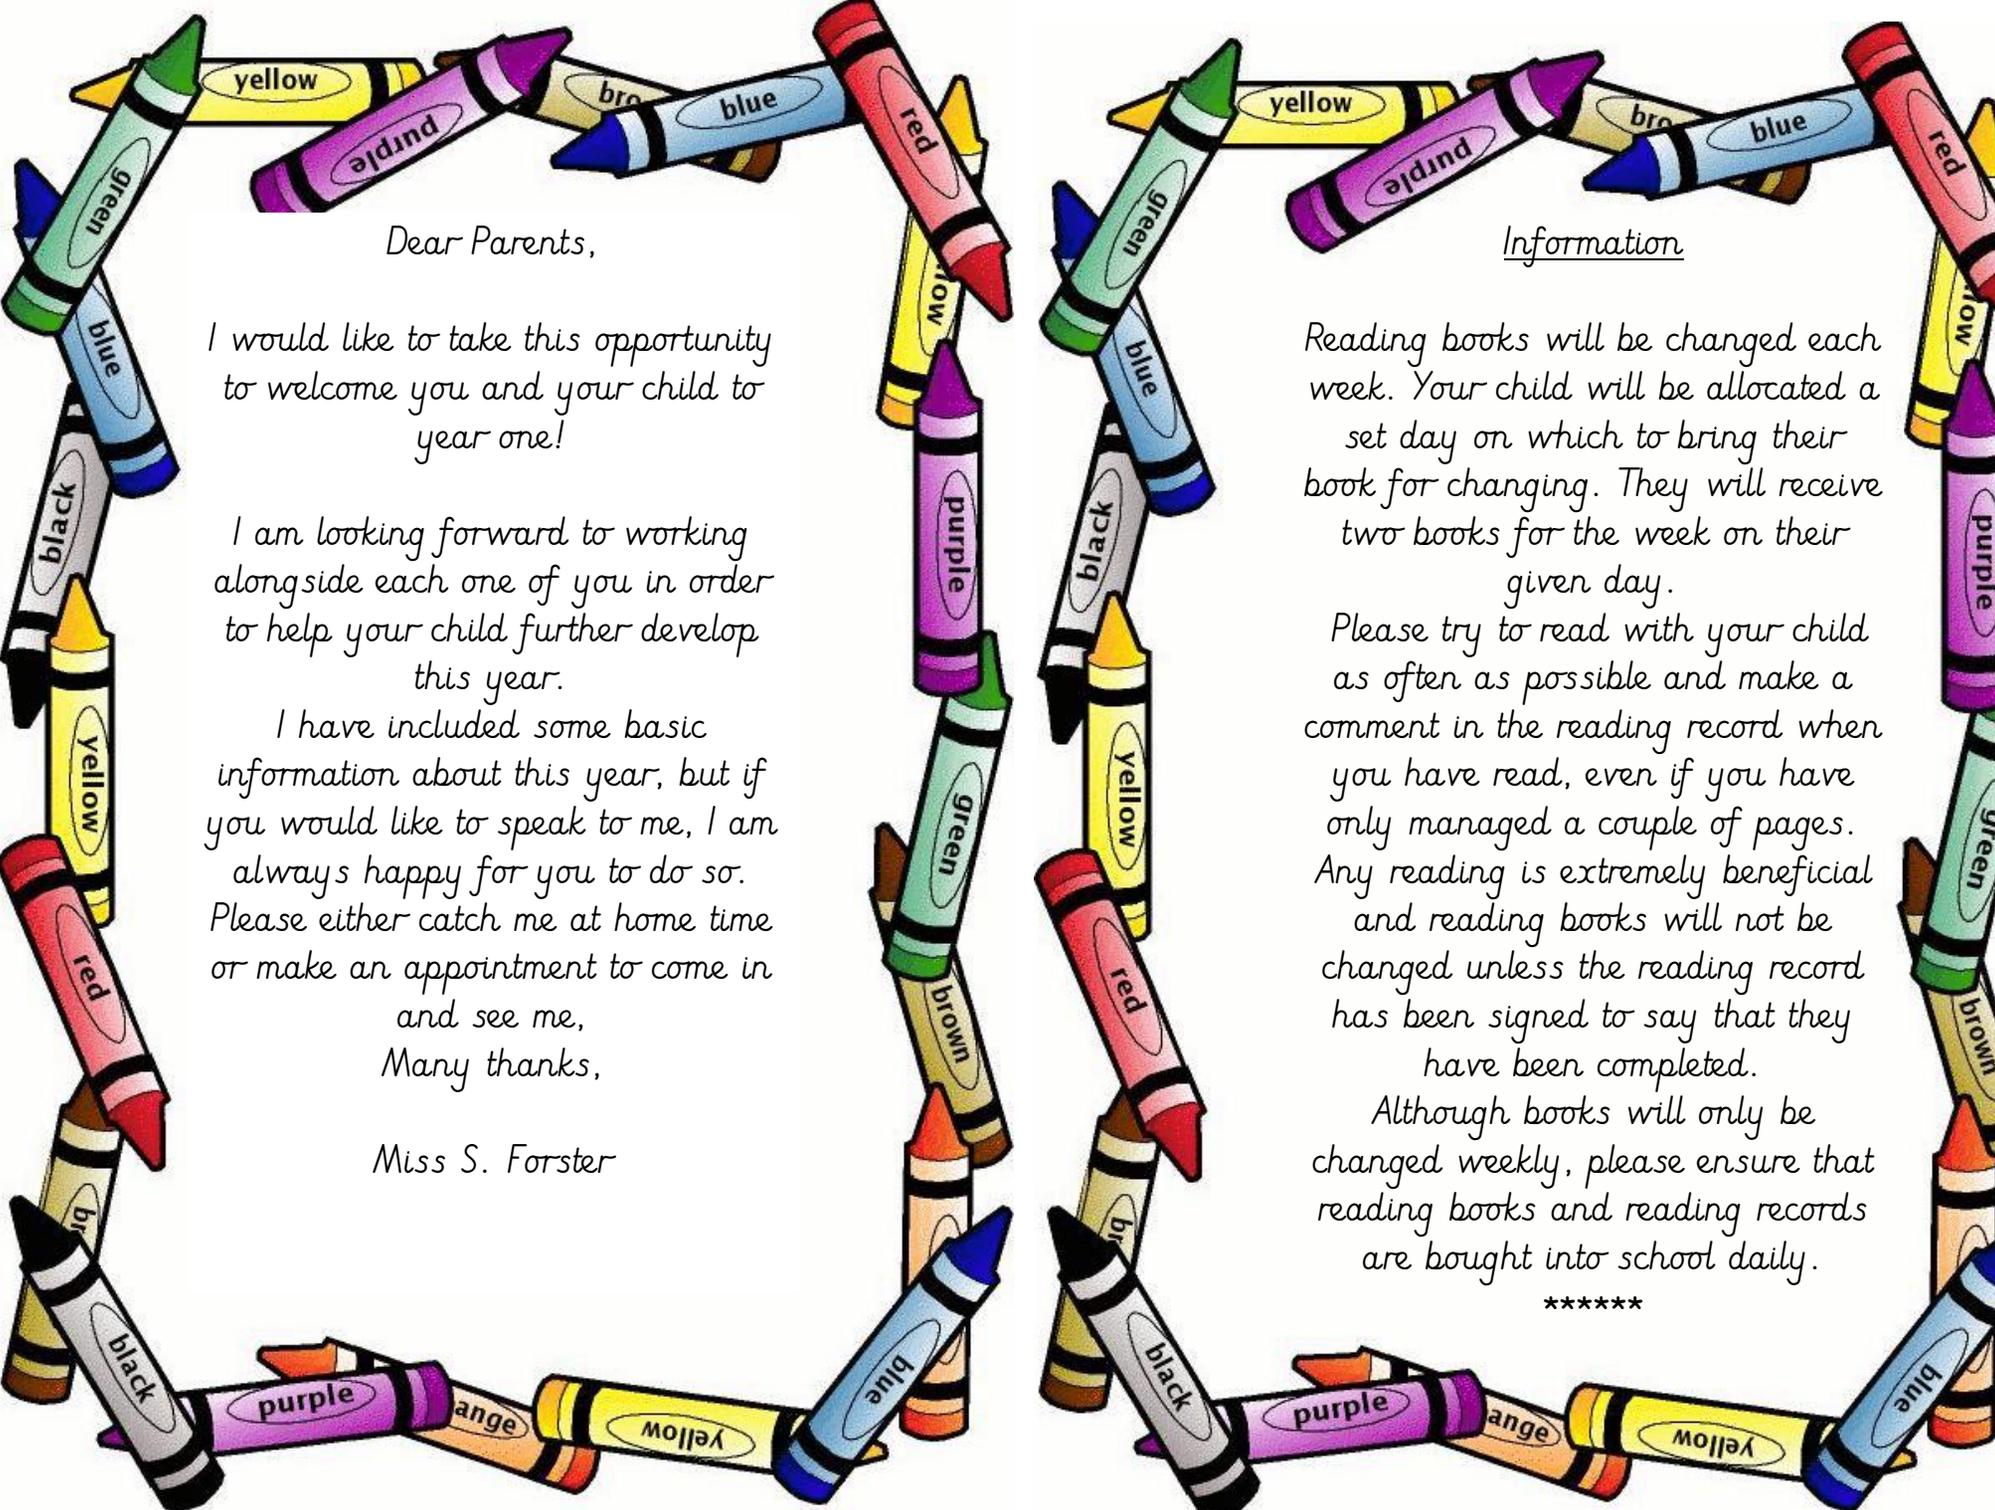

Your child will require a water bottle to keep in class. These can be purchased via Mrs Medlicott in the school office at a cost of £1.25.

Welcome to

Year One

Miss Forster
Mrs Eden

Dear Parents,

I would like to take this opportunity to welcome you and your child to year one!

I am looking forward to working alongside each one of you in order to help your child further develop this year.

I have included some basic information about this year, but if you would like to speak to me, I am always happy for you to do so. Please either catch me at home time or make an appointment to come in and see me,

Many thanks,

Miss S. Forster

Information

Reading books will be changed each week. Your child will be allocated a set day on which to bring their book for changing. They will receive two books for the week on their given day.

Please try to read with your child as often as possible and make a comment in the reading record when you have read, even if you have only managed a couple of pages. Any reading is extremely beneficial and reading books will not be changed unless the reading record has been signed to say that they have been completed.

Although books will only be changed weekly, please ensure that reading books and reading records are brought into school daily.
