

Scotts Primary School

End of Year Expectations for Year 3

Imagine....

Believe....

Achieve....

This booklet provides information for parents and carers on the end of year expectations for children in our school. Staff have identified these expectations as being the minimum requirements your child must meet in order to ensure continued progress throughout the following year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.

Child's name _____

Writing

- Use conjunctions (when, so, before, after, while, because).
- Use prepositions (e.g. behind, above, next to, under).
- Experiment with adjectives to create impact.
- Correctly use verbs in 1st, 2nd and 3rd person.
- Use perfect form of verbs to mark relationships of time and cause (e.g. correct use of have/has).
- Correctly use a range of punctuation including inverted commas for direct speech.
- Use determiners accurately.
- Always use capital letters, full stops, exclamation marks and question marks accurately.
- Group ideas into paragraphs around a theme.
- Confidently use technical language appropriately.
- Nouns are used for effect and are specific e.g. Ferrari instead of car.
- Neat, legible, joined handwriting with letters of consistent size.

Reading

- Comments on the way characters relate to one another.
- Knows which words are essential in a sentence to retain meaning.
- Draw inferences such as inferring characters' feelings, thoughts and motives from their actions.
- Recognise how commas are used to give more meaning.
- Recognise: plurals, pronouns and how they are used, collective nouns and adverbs.
- Can explain the difference that adjectives and verbs make to a sentence.

Speaking and Listening

- Develop ideas and feelings through sustained talk.
- Show good awareness of the listener.
- Use a different style, tone and volume when speaking to a larger audience.
- Listen carefully and make relevant comments in response to what has been said.
- Suggest different ideas related to a specific problem.
- Summarise the main issues associated with a talk.

Mathematics

Number and Place Value:

- Compare and order numbers up to 1000.
- Read and write all numbers to 1000 in digits and words.
- Find 10 or 100 more/less than a given number.
- Recognise place value of any 3-digit number.
- Solve one-step and two-step problems using the below skills.

Add and subtract:

- Add / subtract 3-digit and single digit numbers (345+8)
- Add / subtract 3-digit numbers and multiples of 10 (682+50)
- Add / subtract 3-digit numbers and multiples of 100 (725 +300)
- Add / subtract numbers with up to 3-digits using efficient written method (column).
- Use inverse to check their own work.

Multiplication and Division:

- Count from 0 in multiples of 2, 3, 5, 4, 8, 10, 50 & 100.
- Recall and use multiplication and division facts for 2, 3, 4, 5, 8 and 10 tables.
- Multiply 2-digit numbers by 1-digit numbers (e.g. 37x4).
- Divide 2-digit numbers by 1- digit numbers (e.g. 88 / 4 = 22).

Fractions, Measure and Shape:

- Count up/down in tenths.
- Compare, order, add and subtract fractions with same denominators.
- Know pairs of fractions that total 1.
- Tell time using 12 and 24 hour clocks and using roman numerals.
- Tell time to nearest minute.
- Know number of days in each month and year.
- Draw 2-D shapes and make 3-D shapes using modelling materials, recognise 3-D shapes in different orientations and describe them.
- Identify right angles, recognise that two right angles make a half-turn, three make three quarters of a turn and four a complete turn.
- Identify whether angles are greater than or less than a right angle.
