

Home/school contract between parents/carers and school

To be read with the school's prospectus and completed when child enters the school. Copies of the Trust's Homework policy, Positive Behaviour Management policy and Anti-Bullying policy are available on request.

Notes for parents/carers

All pupils benefit from a good relationship between home and school and at St. John's C. of E. Primary School, Hindley Green we are committed to developing such relationships. This contract formally recognises our responsibilities, and is consistent with the Academy Trust's Positive Behaviour Management, Anti-Bullying and Homework policies. Children are invited to sign the contract when the school and parents/ carers agree that they are sufficiently mature and understand all the rules.

The ethos and atmosphere of the school reflects our high expectations of good conduct from all within our building. As parents/carers you are a vital support to us and we expect that you will be happy to sign this home/school contract which reflects these standards. We attach great importance to the traditional values of courtesy, integrity, good manners, self-discipline and respect for the needs of others. As part of this we anticipate full parental support and co-operation in upholding the school's code of conduct and rules that define our every day interactions. The Board of Directors devolves the responsibility for maintaining high standards in all things and at all times to the Principal and Director of Academy Excellence and, therefore, should there be any ambiguity over the interpretation of these standards, they will have the final say.

The Trust's DREAM curriculum, our shared 'Spirit of Purpose' and our own Mission Statement and agreed aims are fully embedded in our practice. These create the ethos in which we want children to grow and flourish, and they represent our values as a Church School community. We want children to achieve success academically and in every other way through a 'Whole Education' entitlement. The school's overall targets and achievements in National tests are reported to parents/carers and Directors and you are welcome to discuss your child's individual progress at any time, by appointment with the relevant teacher.

Signing the contract is voluntary and is welcomed by the Staff and Directors, but the absence of a signed contract does not exempt any pupil from complying with school rules. The school will always sign its section of the contract and abide by it.
