

Marion Wessel

My daughter and granddaughters attended Shears Green Infant School. I have seen the school grow and develop over the years.

I have recently retired from working in Early Years education and after 38 years have gained extensive knowledge of the Foundation Stage in Kent.

I am also a governor of Shears Green Junior School and a member of the District Advisory Board for Children's Centres

I know how important it is for children to have the best start in life and am really committed to helping not only the children at Shears Green Infants but making sure our families and staff have the support they need.
