

Allowed both KS1 and KS2 children to participate in dance and music lessons and extra-curricular opportunities, resulting in performing in competitions and showcase events.

Pooling funding with other schools within The Keys Federation Academy Trust, to employ designated sports coaches. As a result of the sports academy approach, every member of the sports academy has been fully utilised, in order to allow all schools to achieve either a bronze, silver or gold Kitemark (Sainsbury's School Games).

- Athletics

We will continue to receive this grant in **2016/17** and will work closely with our Federation schools within The Keys Federation Academy Trust to ensure this funding is spent on improving the provision of PE and sport and are proposing to:

- To further develop our Sports Academy model across The Keys Federation to provide high quality PE and Sport, improve our provision through employing specialist staff and to encourage the development of healthy, active lifestyles.
- Increase the range of physical provision for all children, regardless of their physical ability and background.
- Continue to promote high participation levels at our extra-curricular clubs, again focusing on accessibility for all. We also intend to introduce new sports to all children to promote interest in non-traditional sporting activities.
- To provide a sports residential to further increase pupil participation (gifted and talented) in a range of specialist sports, such as climbing, which can be supported by trained instructors at specific venues.
- Provide professional development opportunities for all teachers, especially those new to the profession.
