

## Helping our pupils to stay safe: NSPCC Visit

The NSPCC helped our pupils to learn essential safeguarding information earlier in the week. The 'Speak out, Stay Safe' programme gives children the knowledge and understanding they need to stay safe. Delivered by specially trained staff, it helps children to:

- understand abuse in all its forms and recognise the signs of abuse;
- know how to protect themselves from all forms of abuse and neglect;
- know how to get help and the sources of help available to them, including the Children's Service.

By the end of the visit all our pupils know they can speak out and stay safe. They enjoyed meeting their mascot, 'Buddy' too!

Later in the week we held a bake sale to raise funds to support the NSPCC. Lots of cakes and buns came flooding in from home in and by the end of the day we had raised £42.

Thank you to all the parents and friends who must have been baking all night!  
Thank you to everyone who joined in too.

The NSPCC bun sale in full swing.
