

# Welcome to Class 11.

We have had a lovely start to the school year and the children have begun to settle nicely.

The children have yet to decide on our topic, so we are beginning our year together with some work all about them - what their hobbies are, their families, their favourite stories etc. We will let you know when we choose our first topic.

## Housekeeping.

- P.E. will be on Monday mornings and the children will need a clearly labelled kit to change into as soon as possible, please.
- We will take our learning outside in all weathers, so a suitable coat and a pair of wellies (labelled with names) would be marvellous.
- The children will start to bring reading books home in a few weeks. We have collected the book bags in, ready for homework books and reading books to go into. If your child needs to bring another bag into school, for their water bottle, pictures etc, could it be clearly labelled with your child's name.
- Water only in the bottles please. If juice or flavoured water goes in the bottle then the children may be tempted to drink from each other's bottle which isn't very hygienic.
- A voluntary contribution of 50p a week is very gratefully received. This allows us to bake, make play doh and so much more.

Thank you for all your support. It really does make a difference.

I'm sure we will all have an absolutely fabulous year!

**Mrs Gray and the team.**
