July 2016

Dear Parents / Guardians

The Lincolnshire Music Service has offered the school music lessons in the following instruments:-

Flute, Clarinet, Recorder and Saxophone .

To enable us to begin lessons asap, please select which instrument you wish your child to learn and return asap so that we can price the lessons each term. If your child is taking lessons in school already and wish them to stop please let the school know on the reply slip below.

There is a pool of instruments available from the Music Service and, of course, all tuition is carried out by qualified teachers. The charge for the lessons is around £45.00 per hour per group, with lessons lasting 15 -30 minutes. This will vary depending on how many children are in the group. Instrument insurance is £9.00 per term or £25.00 per year (this covers all repairs and insurance) .

There will be approximately 12 lessons each term and if three children share a 20 minute lesson, the cost will be around £5.00 per child. If required Instruments **will be** provided by the Music Support Service and lessons must be paid for termly, in advance. The total cost will be calculated when we know exactly how many children are going to take up this opportunity.

Yours sincerely

Mrs A Crawshaw
Headteacher

✂-----

I would like (Name of child) to take (name of instrument) lessons.

I would like my child to cancel his/her music lessons. (please tick)

I agree to pay the tuition fees in advance/insurance. (please tick)

I agree to purchase the tutor books / reeds if necessary. (please tick)
