Friday News

Happy Friday to all of you. I'm sure you'll agree that the first 2 weeks of term have flown by. It's been fantastic to see all of you back in school and to have caught up with so many of you. School has had a few changes over the Summer holidays and the children have come back with a great enthusiasm towards learning. It's wonderful to welcome back all of our parents from last year and it's a joy to see our new parents.

Our whole school topic of 20 things to do before half term is well underway and it's great to be ticking off some of the activities. If you would like to share any of the activities with school please do as we have a display board which is set aside for our topic.

The Reception and Year 1 class have made great use of the new outside area and have been very busy with their range of afternoon activities. The Year 2/3 class come up with some excellent uses of a stick whilst the Year 4,5 and 6 class made some fantastic art inspired by Andy Goldsworthy.

Certificates last week were awarded to

All of Reception for an introduction to school and good behaviour

Macey Nawrockyj, Lydia Telford and Lucy Robinson for their behaviour.

Mindset certificates this week were awarded to **Liam Weaver, Bridie Dustin, Casey Bell, Amelia Brown and Katie Thompson**

Next week the certificates will be awarded to children for their presentation; for either improvement or ongoing excellent presentation.
