

Broughton Moor Sports Premium spending 2015 to 2016

As part of our commitment to sport within our school we have identified key areas of the curriculum and beyond to give the breadth and balance to our children's sporting experiences. We have entered many different competitions and made use of the relationship we have with other small schools to provide competitive and non-competitive experiences for all of our children.

Using our Sports premium has allowed children to take part in other events such as a walk up Binsey Fell, swimming, archery and karate.

Sports premium allocation		£8190
Activity	Rationale	Cost
Sports coaching (Cricket, Dance, Gymnastics, multi-skills, large and small ball skills)	Providing quality wave 1 coaching from qualified coaches Increasing participation in sports and signposting to outside clubs and facilities Ongoing staff training	£3500
