

Hornsea Burton and Skipsea Federation policy for Pupil Premium

Principles

- We ensure that teaching and learning opportunities meet the needs of all of the pupils
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

Provision

- The range of provision the Governors may consider making for this group could include:

Teaching Assistant support

Maths or Literacy specific project

1-1 tuition

Learning mentor-Pixl Primary work

Parent Support Advisor

Safeguarding support

Home/School Liaison

Emotional Literacy

Residential/transport subsidy

- All our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially this will be in communication, English and maths
- Pupil premium resources may also be used to target able children on FSM to achieve higher than 'expected' standards.
- Provision will not be aimed at statemented children.

Reporting

- It will be the responsibility of the Headteacher, or a delegated member of staff, to produce regular updates reports for the Governors' Finance and also Leadership and Management and Pupil Outcomes sub-committees on:
 - the progress made towards narrowing the gap, by year group, for socially disadvantaged pupils
 - an outline of the provision that was made since the last meeting
 - an evaluation of the cost effectiveness, in terms of the progress made by the pupils receiving a particular provision, when compared with other forms of support

- It will be the responsibility of the Pupil Premium Governor to ensure this information is made known to the full governing body

- The Governors of the school will ensure that there is an annual statement to parents on how the Pupil Premium funding has been used to address the issue of 'narrowing the gap', for socially disadvantaged pupils. This task will be carried out within the requirements published by the Department for Education (TBC). A summary of analysis for the previous academic year will be posted to the school website early in the Autumn term each year.

Appeal

Any appeals against this policy will be through the governor's complaints procedure
