#### Parking

I know that the car park area can be a nightmare in the morning and afterschool when dropping off and collecting, but please put safety first! Please drive slowly and cautiously and do not park or stop on the yellow zig zag lines unless you are displaying a blue badge.

Please also ensure that children are supervised very carefully when walking through the carpark and between parked cars. Thank you.

#### Stubbers Smash Camps

Stubbers Activity Centre will be hosting a Smash Camp on Friday 21<sup>st</sup> October (School Inset Day). This is in response to parents who have requested a camp to assist with child care.

#### Year 5 - Open Door

Please note that the first open door afternoon scheduled for Friday 14<sup>th</sup> October is cancelled for Year 5, due to Miss Johnstone attending a course. This has been rescheduled for Thursday 13<sup>th</sup> October. Apologies for the inconvenience caused.

We would like to ask for donations of food which will be taken to the local Food Bank at Christchurch where it will be shared with local people who are in need of support. #### Costain (Crossrail) Rail Safety Talk

On Wednesday of last week, we were visited by representatives from Costain who are carrying out many of the works on local stations at the moment. They delivered a whole school assembly about staying safe by railways, particularly focussing on electricity. The assembly was lively and engaging and the children went away with awareness of an important message. After the assembly, all children had the opportunity to go out in to the playground to watch some of the construction machinery in action. Thank you Costain!
