Afternoon sessions inc. light teatime snack: crumpets, toastie, sandwich (which the children will help to prepare) & a drink.

The aim of the Club is to help parents with their work life balance whilst providing recreation time for their children. The Club is open Monday to Friday during term time.

The children are familiar with the environment here at the school and our staff are familiar faces too, as we already work at school.

We are thrilled to be located at Findern Primary School which has an amazing outdoor area for us to explore and use at the end of a busy school day. The very pretty, shady conservation area is just perfect for teatime picnics and exploring the bug hotels, the bluebells or looking out for our resident woodpecker.

The pond is fully enclosed but is accessible for activities such as pond dipping, if we wish. We have use of the allotment area which has raspberries, strawberries and blueberries growing.

The school's wildflower meadow is very pleasant & the Club's children can help tend this or just relax in the bird watching hut.

We have plenty of den making materials for children to work together, making fabulous dens.

We have a full range of craft materials, hamma beads, play mobile, lego, paints, crayons for rainy days, a Nintendo wii & tablets for the gamers amongst us! We have lots of newly purchased games for the children to enjoy which helps with turn taking and social skills.

We have a variety of books, jigsaws, quiz sheets and chill out spaces for those wishing to rest.

For those wishing to get any homework done, we can find a quiet place for you to complete your work....and give you some hints & tips if needed!

We will have a movie evening once per half term, with popcorn and snacks.

We like the children to be active too. We have wide open, but secure, spaces for your children to let off steam with a game of tennis, football, hockey or table tennis. Learn to ride your bike, see if you can complete our go kart obstacle course or have a scooter race.

We go on picnics/park visits occasionally, fully risk assessed, so that the children can play on the local park with their friends. This is a short walk away.

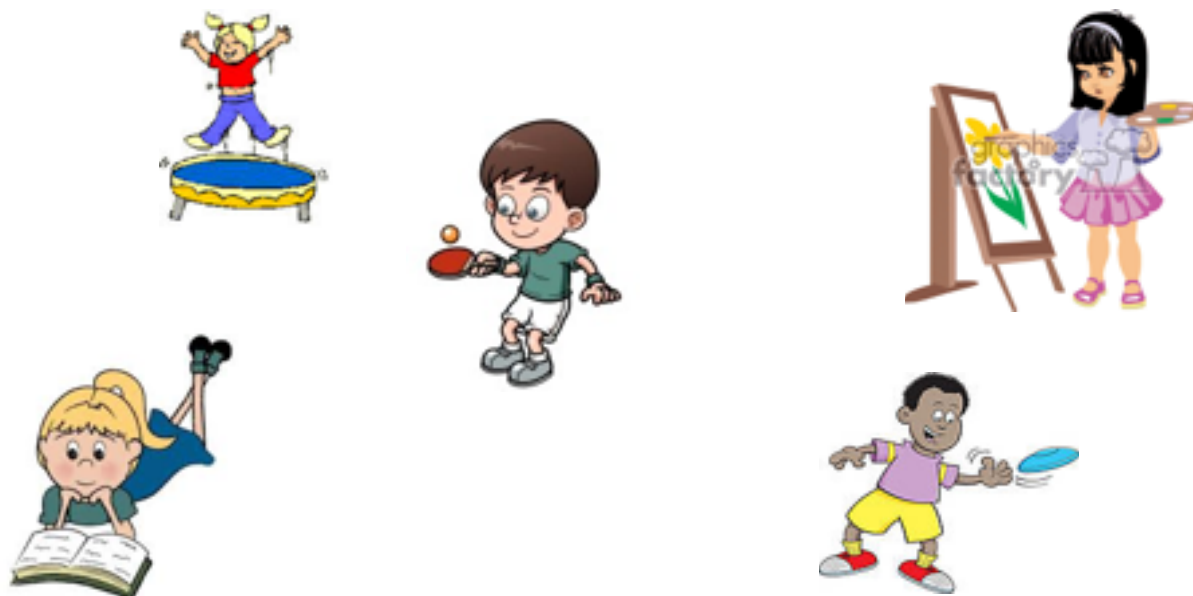

STAFF ARE ALL DBS CHECKED, PAEDIATRIC & ADULT FIRST AID TRAINED/ EMERGENCY FIRST RESPONSE TRAINED. WE HAVE QUALIFICATIONS IN FOOD HYGIENE & HAVE REGULAR SAFEGUARDING TRAINING.

CHILDCARE QUALIFICATIONS -

NVQ 2 EARLY YEARS CARE & EDUCATION,
NVQ 3 EARLY YEARS CARE & EDUCATION,
NVQ 3 PLAYWORK.
NVQ 3 FOREST SCHOOL

How to book a place

All enquiries to Mrs Sharron Lister, tel: 07960384014 or text. Alternatively, email me at sharronlister@sky.com or leave correspondence for me at school office, thank you. Booking forms can be emailed to you.

We have our own Ofsted inspection, our Ofsted registration number is EY480339. We are fully insured with public liability insurance and employee insurance. HMRC can help with 70% of child-care costs in certain circumstances, please see hmrc.gov.uk.

We are located in the school library. We utilise the large playground most days, giving children a choice of team games or to go on the trim trail. The children are in the safety of the school grounds without having to be in their own classrooms. The children can benefit from free flow play which gives the Club a relaxed feel and allows the children lots of choice of different activities whilst being supervised.
