On Wednesday the Life Education Bus visited school.

All the children took part with lots of new learning and sensible discussions taking place throughout the day.

On Thursday Key Stage two children visited Williamson Park in Lancaster. They observed the Ashton Memorial, visited the butterfly house, mini-beast cave and animal garden.

They particularly enjoyed watching the meerkats' antics.

'It was amazing because I liked the cool tower.'

Today has been our school Open Day. We have received many positive comments about our children and our school which we are delighted about. Thank you to Ella's Grandad and family for the donation of the balloons to help us celebrate our Open Day.

Please make an appointment for Parents evening if you have not already done so. Mrs Patterson or Mrs Monks will be able to help you with this.

Please support our Harvest Festival in Church on
Sunday 9th October at 11am.
