Chairs Report

We have an active association who organise many events over the year. Money raised is an invaluable resource for the school. New members and initiatives are welcome. This year we have:

- Held an Easter Raffle – raised £131
- Bags to School have raised £76
- Held Ice Lolly Fridays – raised £85
- Held a Summer Fayre + Art Competition – raised £698.33
- Held a Book Sale and raised £34.29
- Organised a sponsored Cycle for EduKid – raised £134
- Face Painted at the Queen's Birthday Celebration at Village Hall - raised £15
- Held Coffee Mornings
- Paid a contribution towards a whole school trip to the Big Sheep of £322.25
- Paid for Year 6 Leavers Hoodies £134
- Given £2000 towards the New Playground Equipment + Cycle Track

Thank You to everyone that helps out at meetings and events and giving up their time, the PTA would not exist if you didn't. Also thank you to the teachers and staff and Bob and Jackie and to Amy Sykes our recent secretary who has moved away.

Treasurers Report

A copy of the report is available on the schools website.

Head Teachers Report

Thank You

The efforts, hard work and time commitment by the PTA is invaluable. Funds raised by events have a big impact on enriching provision and opportunities for all pupils at the school. The school would like to thank all members of the PTA for this commitment and to all adults that offer help at events. The new committee have quickly taken on roles and organisation and provided the school community with social events as well as financial contributions. Fundraising events continue to be well attended and enjoyed by our children.

Last year PTA funds contributed to these activities and events:

- School Trips - £322.25
- Leavers' Hoodies - £134
- Large outdoor climbing equipment - £2000

Contributions for 16/17

The school would like to request that money raised this year is used to:

- Purchase new reading books for reception and Key stage 1

- Contribution towards a new touch screen whiteboard
- Forthcoming whole school trips

The children's council would like to organise a fundraising event to raise money to 'refresh' the outdoor lunchtime play equipment.

Outside Area Developments

The climbing equipment and perimeter track are now installed and plans for phase 3 developments are beginning. The school would welcome the input and involvement of the PTA in these ideas.

Feedback from PTA Volunteers

We discussed what they have got out of the PTA and how easy it is to participate
