Spelling Homework 2016-17

To help you learn your spellings, we expect you to use the Precision Teaching method. Precision Teaching will help you make progress, particularly in word reading and spelling skills – it will help you acquire automatic skills in learning letter sounds, recognising whole words and spelling.

- ✓ At least 5 times a week you need to time yourself for one minute and write your chosen words (up to 5) as many times as you can on the grid. As you become more confident with the spelling, you'll naturally become faster.
- ✓ It is important that you are accurate with your spellings, so at first you might need to keep checking back.
- ✓ Once your minute is up, go back and check every single word. Tick the ones you've spelt correctly.
- ✓ Then you need to record the fraction of the words that you spelt correctly e.g. if you wrote 16 words and got 14 correct, you would write 14/16.
- ✓ You should notice over the week that your score will improve, as well as the number of words that you are able to complete.
- ✓ Please record your weekly scores on the below chart in your homework book.

	Day 1	Day 2	Day 3	Day 4	Day 5	Please note down any words you've struggled with below
Week 1						
Week 2						
Week 3						
Week 4						
Week 5						
Week 6						
Week 7						
Week 8
